Abstract of Proposed Collection

DDTC regulates the export and temporary import of defense articles and services enumerated on the USML in accordance with the Arms Export Control Act (AECA) (22 U.S.C. 2751 *et seq.*) and the International Traffic in Arms Regulations (ITAR) (22 CFR parts 120-130). In accordance with ITAR § 124.1, any person who intends to furnish defense services or technical data to a foreign person must submit a proposed technical assistance, manufacturing, or distribution license agreement and obtain prior authorization from DDTC for such agreement. Amendments to existing agreements must also be submitted for approval. The electronic mechanism utilized for submitting, reviewing, and approving agreement proposals is the Defense Trade Application Systems (DTAS). Specifically, this process utilizes the DSP-5 license application as the primary instrument or “vehicle” for transmitting agreements and their respective amendments from one phase of the adjudication process to the next.

Methodology

Respondents will submit information as attachments to relevant license applications or requests for other approval.

WTO Dispute Settlement Proceeding Regarding Canada—Measures Governing the Sale of Wine in Grocery Stores (Second Complaint)

AGENCY: Office of the United States Trade Representative.

ACTION: Notice with request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) is

SUPPLEMENTARY INFORMATION:

I. Background

Section 127(b)(1) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires notice and opportunity for comment after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Pursuant to this provision, USTR is providing notice that the United States has requested a dispute settlement panel pursuant to the *WTO Understanding on Rules and Procedures Governing the Settlement of Disputes* (DSU). Once the WTO establishes a dispute settlement panel, the panel will hold its meetings in Geneva, Switzerland.

II. Major Issues Raised by the United States

In 2017, the United States requested consultations with Canada regarding measures maintained by the Canadian province of British Columbia (BC) governing the sale of wine in grocery stores. The United States alleged that the BC wine measures provide advantages to BC wine through the granting of exclusive access to the retail channel of selling wine on grocery store shelves, while limiting imported wine to be sold in grocery stores only through a so-called “store within a store.” The parties failed to reach a mutually satisfactory resolution to this dispute. On May 25, 2018, the United States

requested that the WTO establish a panel to consider the U.S. complaint.

The United States alleges that BC measures are inconsistent with Canada’s obligations under Article III:4 of the *General Agreement on Tariffs and Trade 1994*.
