Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Papahānaumokuākea Marine National Monument Mokuapapa Discovery Center Exhibit Evaluation.

OMB Control Number: 0648–0582.

Form Number(s): None.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 250.

Average Hours per Response: 7 minutes.

Burden Hours: 29.

Needs and Uses: This request is for extension of a currently approved information collection. Mokuapapa Discovery Center (Center) is an outreach arm of Papahānaumokuākea Marine National Monument that reaches 65,000 people each year in Hilo, Hawai‘i. The Center was opened fifteen years ago to help raise support for the creation of a National Marine Sanctuary in the Northwestern Hawaiian Islands. Since that time, the area has been proclaimed a Marine National Monument and the main messages we are trying to share with the public have changed to better reflect the new monument status, UNESCO World Heritage status and the joint management by the three co-trustees of the Monument. We therefore are seeking to find out if people visiting our Center are receiving our new messages by conducting an optional exit survey.

Affected Public: Individuals or households.

Frequency: One time.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at *reginfo.gov*. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to *OIRA_Submission@omb.eop.gov* or fax to (202) 395–5806.

Dated: June 20, 2018.

Sarah Brabson,

NOAA PRA Clearance Officer.
