Office of Foreign Assets Control

31 CFR Part 560

Iranian Transactions and Sanctions Regulations

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule.

SUMMARY: The Department of the Treasury’s Office of Foreign Assets Control (OFAC) is amending the Iranian Transactions and Sanctions Regulations (ITSR) to implement the President’s May 8, 2018 decision to end the United States’ participation in the Joint Comprehensive Plan of Action (JCPOA) on Iran’s nuclear program, as outlined in National Security Presidential

Memorandum-11 of May 8, 2018 (NSPM–11). Specifically, OFAC is amending the ITSR to: Amend the general licenses authorizing the importation into the United States of, and dealings in, Iranian-origin carpets and foodstuffs, as well as related letters of credit and brokering services, to narrow the scope of such general licenses to the wind down of such activities through August 6, 2018; add a new general license to authorize the wind down, through August 6, 2018, of transactions related to the negotiation of contingent contracts for activities eligible for authorization under the *Statement of Licensing Policy for Activities Related to the Export or Re-export to Iran of Commercial Passenger Aircraft and Related Parts and Services*, which was rescinded following the issuance of NSPM–11; and add a new general license to authorize the wind down, through November 4, 2018, of certain transactions relating to foreign

entities owned or controlled by a United States person.

DATES: *Effective Date:* June 27, 2018.

FOR FURTHER INFORMATION CONTACT: OFAC: Assistant Director for Licensing, tel.: 202–622–2480; Assistant Director for Regulatory Affairs, tel.: 202–622–4855; Assistant Director for Sanctions Compliance & Evaluation, tel.: 202–622–2490; or the Department of the Treasury’s Office of the Chief Counsel (Foreign Assets Control), Office of the General Counsel, tel.: 202–622–2410.

SUPPLEMENTARY INFORMATION:

Electronic Availability

This document and additional information concerning OFAC are available on OFAC’s website (www.treasury.gov/ofac).

Background

On May 8, 2018, the President issued NSPM–11, which set forth his decision to end the United States’ participation in the JCPOA. In NSPM–11, the

President directed the Secretary of State and the Secretary of the Treasury to immediately begin taking steps to re-impose all United States sanctions lifted or waived in connection with the JCPOA as expeditiously as possible, and in no case later than 180 days from the date of NSPM-11. Today, OFAC is amending the ITSR, 31 CFR part 560, to issue wind-down authorizations for activities involving Iran that were previously authorized by OFAC in connection with the U.S. sanctions relief provided for under the JCPOA. In conjunction with this action, OFAC has revoked General License H and General License I, two authorizations for activities involving Iran that were previously issued by OFAC in connection with the U.S. sanctions relief provided for under the JCPOA.

On January 16, 2016, OFAC issued General License H to license certain transactions relating to foreign entities owned or controlled by a United States person. At the time of its issuance, General License H was posted on OFAC's website (www.treasury.gov/ofac).

Also on January 16, 2016, OFAC issued a *Statement of Licensing Policy for Activities Related to the Export or Re-export to Iran of Commercial Passenger Aircraft and Related Parts and Services* (JCPOA SLP). At the time of its issuance, the JCPOA SLP was posted on OFAC's website (www.treasury.gov/ofac). Following the issuance of NSPM-11, OFAC rescinded the JCPOA SLP and posted an archived version of the JCPOA SLP on its website for reference purposes.

On January 21, 2016, OFAC amended the ITSR to license the importation into the United States of certain Iranian-origin carpets and foodstuffs, including pistachios and caviar (81 FR 3330). Specifically, OFAC added § 560.534 to the ITSR to authorize by general license the importation into the United States of, and dealings in, certain Iranian-origin foodstuffs and carpets from Iran or a third country. OFAC also added § 560.535 to the ITSR to authorize by general license certain letters of credit and brokering services relating to certain Iranian-origin foodstuffs and carpets.

On March 24, 2016, OFAC issued General License I to authorize certain transactions related to the negotiation of, and entry into, contingent contracts for activities eligible for authorization under the JCPOA SLP. At the time of its issuance, General License I was posted on OFAC's website (www.treasury.gov/ofac).

Today, OFAC is amending the ITSR to implement the wind-down

authorizations for the above-referenced activities involving Iran that were previously authorized by OFAC pursuant to the ITSR in connection with the U.S. sanctions relief provided for under the JCPOA.

First, OFAC is amending § 560.534 to narrow the scope of that general license to authorize, through 11:59 p.m. eastern daylight time on August 6, 2018, only the wind down of transactions related to the importation into the United States of, and dealings in, certain Iranian-origin foodstuffs and carpets. U.S. persons will be authorized to engage in all transactions and activities that are ordinarily incident and necessary to the wind down of transactions that were previously authorized under § 560.534. After 11:59 p.m. eastern daylight time on August 6, 2018, no further transactions are authorized under amended § 560.534.

OFAC is also amending § 560.535 to narrow the scope of that general license to authorize, through 11:59 p.m. eastern daylight time on August 6, 2018, only the wind down of transactions related to letters of credit and brokering services relating to certain Iranian-origin foodstuffs and carpets. U.S. persons will be authorized to engage in all transactions and activities that are ordinarily incident and necessary to the wind down of transactions that were previously authorized under § 560.535. After 11:59 p.m. eastern daylight time on August 6, 2018, no further transactions are authorized under amended § 560.535.

In addition, OFAC is adding § 560.536 to authorize, through 11:59 p.m. eastern daylight time on August 6, 2018, all transactions and activities that are ordinarily incident and necessary to the wind down of transactions related to the negotiation of contingent contracts for activities that were, at the time of the negotiation, eligible for authorization under the JCPOA SLP. This wind-down authorization enables U.S. persons to wind down, through August 6, 2018, activities that were previously authorized pursuant to General License I. In conjunction with this action, OFAC has revoked General License I and has posted an archived version of General License I on its website (www.treasury.gov/ofac) for reference purposes. After 11:59 p.m. eastern daylight time on August 6, 2018, no further transactions are authorized under § 560.536.

Finally, OFAC is adding § 560.537 to authorize, through 11:59 p.m. eastern standard time on November 4, 2018, all transactions and activities that are ordinarily incident and necessary to the wind down of transactions relating to

foreign entities owned or controlled by a United States person that were previously authorized under General License H. In conjunction with this action, OFAC has revoked General License H and has posted an archived version of General License H on its website (www.treasury.gov/ofac) for reference purposes. After 11:59 p.m. eastern standard time on November 4, 2018, no further transactions are authorized under § 560.537.

Public Participation

Because the amendment of the ITSR involves a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, as well as the provisions of Executive Order 13771, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

Paperwork Reduction Act

The collections of information related to the ITSR are contained in 31 CFR part 501 (the "Reporting, Procedures and Penalties Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505-0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

Coast Guard

33 CFR Part 100

[Docket Number USCG–2018–0316]

RIN 1625–AA08

Special Local Regulation; Gulf of Mexico; Sarasota, FL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a special local regulation on the waters of the Gulf of Mexico, in the vicinity of Lido Beach, Florida, during the 34th Annual Sarasota Powerboat Grand Prix High Speed Boat Race. Approximately 35 boats and jet skis, traveling at speeds in excess of 100 miles per hour are expected to participate. Additionally, it is anticipated that 300 spectator vessels will be present along the race course. The special local regulation is necessary to protect the safety of race participants, participant vessels, spectators, and the general public on navigable waters of the United States during the event. The special local regulation will establish an enforcement area where all persons and vessels, except those persons and vessels participating in the high speed boat races, are prohibited from entering, transiting through, anchoring in, or remaining within without obtaining permission from the Captain of the Port St. Petersburg or a designated representative.
