**SUPPLEMENTARY INFORMATION:**

**I. Background and Purpose of the Proposed New Routine Use**

Social Security’s representative payee program provides financial management for Social Security beneficiaries and Supplemental Security Income (SSI) recipients (both hereafter referred to as

beneficiaries) who are incapable of managing their benefits or payments. The representative payee’s primary responsibility is to use the beneficiary’s benefits or payments for current and foreseeable needs. Historically, representative payees have submitted annual accounting forms to account for the Social Security benefits or SSI payments received. In addition to the annual accounting form, we select some representative payees for additional review. This type of oversight provides a more in depth review to ensure that the representative payee is meeting his or her representative payee obligations and managing the benefits or payments in the best interest of the beneficiary that he or she is serving.

When conducting the representative payee reviews, which may include beneficiary, legal guardian, or third party interviews, the reviewer may observe a health or safety issue, or any other issue negatively affecting the beneficiary’s well-being, that requires a referral to an appropriate local, state, or federal agency or entity with responsibility for investigating or addressing these issues. We are

proposing a new routine use to permit us to disclose personal information relevant and necessary to make these referrals to such agencies or entities when the reviewer determines that the beneficiary’s safety or well-being may be in jeopardy.

**II. Proposed New Routine Use**

The Privacy Act requires that agencies publish a notice in the **Federal Register** of “each routine use of the records contained in the system, including the categories of users and the purpose of such use.” 5 U.S.C. 552a(e)(4)(D). We have developed the following new routine use that will allow us to disclose information to a local, state, or federal agency, under the circumstances described above.

- To agencies or entities with responsibility for investigating or addressing possible financial exploitation of, an immediate health or safety threat to, or other serious risk to the well-being of the beneficiary, for referral, when these issues are identified during a representative payee review.

We will include the new routine use in the following systems of records:

System No. and name	New routine use	Federal Register citation No./publication date
60-0058—Master Files of Social Security Number Holders and SSN Applications .....	No. 49 .....	75 FR 82121, 12/29/10. 78 FR 40542, 07/05/13. 79 FR 78780, 02/13/14.
60-0090—Master Beneficiary Record .....	No. 42 .....	71 FR 1829, 01/11/06. 72 FR 69723, 12/10/07. 78 FR 40542, 07/05/13.
60-0103—Supplemental Security Income Record and Special Veterans Benefits .....	No. 40 .....	71 FR 1830, 01/11/06. 72 FR 69723, 12/10/07.
60-0222—Master Representative Payee File .....	No. 23 .....	78 FR 23811, 04/22/13.

SSA will disclose only those elements from SSA’s systems of records that are necessary to make the appropriate referral for services to the appropriate agency or entity.

We are not republishing in their entirety the SORNs to which we are adding the proposed new routine use. Instead, we are republishing only the identification number, name of the systems of records, the numbers of the new routine use, and the issue of the **Federal Register** in which the system of records notice was last published, including the publication date and number.

In accordance with 5 U.S.C. 552a(r), we have provided a report to OMB and Congress on these modified systems of records.

Please note that comments submitted in response to this Notice are public

record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

**Abstract of Proposed Collection**

The Secretary of State is authorized to issue U.S. passports under 8 U.S.C. 1104, 22 U.S.C. 211a et seq, and Executive Order 11295 (August 5, 1966). Department regulations provide that individuals whose valid or potentially valid U.S. passports were lost or stolen must make a report of the lost or stolen passport to the Department of State before they receive a new passport so that the lost or stolen passport can be invalidated (22 CFR parts 50 and 51). The Enhanced Border Security and Visa Entry Reform Act of 2002 (8 U.S.C. 1737) requires the Department of State to collect accurate information on lost or stolen U.S. passports and to enter that information into a data system. Form DS-64 collects information identifying the person who held the lost or stolen passport and describing the circumstances under which the passport was lost or stolen. As required by the cited authorities, we use the information collected to accurately identify the passport that must be invalidated and to make a record of the circumstances surrounding the lost or stolen passport. False statements made knowingly or willfully on passport forms, in affidavits, or other supporting documents, are punishable by fine and/or imprisonment under U.S. law. (18 U.S.C. 1001, 1542-1544).

**Methodology**

Passport applicants can submit their form electronically on [www.travel.state.gov](http://www.travel.state.gov) or call the National Passport Information Center at 1-877-487-2778. Applicants can also download the form from the internet or obtain one at any Passport Agency or Acceptance Facility.
