

Background

On May 1, 2018, the Commission issued a *Notice of Intent to Prepare an Environmental Assessment for the Proposed UGS-Crawford Meter Station Project and Request for Comments on Environmental Issues* (NOI). The NOI was sent to affected landowners; federal, state, and local government agencies; elected officials; Native American tribes; other interested parties; and local libraries. In response to the NOI, the Commission received comments from U.S. Fish and Wildlife Service regarding impacts on multiple federally listed sensitive species. All substantive comments will be addressed in the EA.

This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to www.ferc.gov/docs-filing/esubscription.asp.
