

for Alaska, BLM. The notice of protest must identify the plat(s) of survey that the person or party wishes to protest. The notice of protest must be filed before the scheduled date of official filing for the plat(s) of survey being protested. Any notice of protest filed after the scheduled date of official filing will not be considered. A notice of protest is considered filed on the date it is received by the State Director for Alaska during regular business hours; if received after regular business hours, a notice of protest will be considered filed the next business day. A written statement of reasons in support of a protest, if not filed with the notice of protest, must be filed with the State Director for Alaska within 30 calendar days after the notice of protest is filed. If a notice of protest against a plat of survey is received prior to the scheduled date of official filing, the official filing of the plat of survey identified in the notice of protest will be stayed pending consideration of the protest. A plat of survey will not be officially filed until the dismissal or resolution of all protests of the plat.

Before including your address, phone number, email address, or other personal identifying information in a notice of protest or statement of reasons, you should be aware that the documents you submit, including your personal identifying information, may be made publicly available in their entirety at any time. While you can ask us to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 U.S.C. Chap. 3.

Douglas N. Haywood,
Chief Cadastral Surveyor, Alaska.

Agency Information Collection Activities: General Requirements for Surface Coal Mining and Reclamation Operations on Federal Lands

AGENCY: Office of Surface Mining
Reclamation and Enforcement, Interior.

ACTION: Notice of Information
Collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Office of Surface Mining Reclamation and Enforcement (OSMRE), are announcing our intention to request renewed approval for the collection of information which requires that a Federal lands program be established to govern surface coal mining and reclamation operations on Federal lands. The information requested is needed to assist the regulatory authority to determine the eligibility of an applicant to conduct surface coal mining operations on Federal lands. This information collection activity was previously approved by the Office of Management and Budget (OMB), and assigned control number 1029-0027.

DATES: Interested persons are invited to submit comments on or before September 4, 2018.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to: The Office of Surface Mining Reclamation and Enforcement, Information Collection Clearance Officer, Attn: John Trelease, 1849 C Street NW; Mail Stop 4559, Washington, DC 20240. Comments may also be submitted electronically to jtrelease@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact John Trelease by email at jtrelease@osmre.gov, or by telephone at (202) 208-2783.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the OSMRE; (2) is the estimate of burden accurate; (3) how might the OSMRE enhance the quality, utility, and clarity of the information to be collected; and (4) how might the OSMRE minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or

summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

This notice provides the public with 60 days in which to comment on the following information collection activity:

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1103 (Second Review)]

Certain Activated Carbon From China

Determination

On the basis of the record¹ developed in the subject five-year review, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that revocation of the antidumping duty order on certain activated carbon from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission, pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)), instituted this review on February 1, 2018 (83 FR 4681) and determined on May 7, 2018 that it would conduct an expedited review (83 FR 24345, May 25, 2018).

The Commission made this determination pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determination in this review on June 29, 2018. The views of the Commission are contained in USITC Publication 4797 (June 2018), entitled *Certain Activated Carbon from*

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).
