

ORDERED that the Application regarding the indirect transfer of control over licenses listed above from Toshiba to WEC Holdings, and ultimately to BAM, is approved, subject to the following conditions:

1. With respect to the licenses listed above, Westinghouse shall continue to abide by all commitments and representations it previously made. These include, but are not limited to, maintaining decommissioning records and financial assurance, conducting decontamination activities, and eventually decommissioning the site.

2. The commitments/representations made in the Application regarding reporting relationships and authority over safety and security matters as well compliance with NRC requirements, shall be adhered to and may not be modified without the prior written consent from the Director, Office of Nuclear Material Safety and Safeguards, or that person's designee.

IT IS FURTHER ORDERED that Westinghouse, at least one (1) business day before all actions necessary to accomplish the indirect transfer of control are completed, shall so inform the Director, Office of Nuclear Material Safety and Safeguards, in writing. Should the proposed indirect transfer not be completed within one year from the date of issuance of this Order, the Order shall become null and void; provided, however, upon timely written application and for good cause shown, such completion date may be extended by Order.

This Order is effective upon issuance.

For further details with respect to this Order, see the Application cited in Section II above, and the Safety Evaluation Report supporting this action (ADAMS Accession No. ML18162A243), which are available for public inspection at the Commission's Public Document Room (PDR), located at One White Flint North, Public File Area 01-F21, 11555 Rockville Pike (first floor), Rockville, Maryland, and accessible, electronically, through the ADAMS Public Electronic Reading Room, on the Internet, at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. Persons who do not have access to ADAMS, or who encounter problems in accessing the documents located in ADAMS, should contact the NRC PDR reference staff, by telephone, at 1-800-397-4209, 301-415-4737, or via e-mail, to pdrc@nrc.gov.

Dated and issued this 28th day of June, 2018.

For the Nuclear Regulatory Commission.
Marc L. Dapas,

Director Office of Nuclear Material Safety and Safeguards.
