Title: Export Inspection and Weighing Waiver for High Quality Specialty Grains Transported in Containers Under the Authority of the United States Grain Standards Act.

OMB Control Number: 0581-0306.

Summary of Collection: The United States Grain Standards Act, as amended (7 U.S.C. 71-87) (USGSA), with few exceptions, requires that all grain shipped from the United States must be officially inspected and weighed. Section 7 CFR 800.18 of the regulations waives the mandatory inspection and weighing requirements of the USGSA for high quality specialty grain exported in containers. The Federal Grain Inspection Service (FGIS) established this waiver to facilitate the marketing of high quality specialty grain exported in containers.

Need and Use of the Information: To comply with the waiver of the mandatory inspection and weighing requirements, FGIS is asking exporters of high quality specialty grain transported in containers to maintain records generated during the normal course of business that pertain to these shipments and make these documents available to FGIS upon request for review or copying purposes. These records are maintained for a period of 3 years. This requirement is essential to ensure that exporters who ship high quality specialty grain in containers comply with the waiver requirements.

Number of Respondents: 40.
