## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-83582; File No. SR-IEX-2018-11]

### Self-Regulatory Organizations; Investors Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify the Structure of its Fee Schedule and Make Several Conforming and Clarifying Changes, Pursuant to IEX Rule 15.110(A) and (C)

July 2, 2018.

Pursuant to Section 19(b)(1) <sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”) <sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that, on June 29, 2018, the Investors Exchange LLC (“IEX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the self-regulatory organization. The

Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) under the Securities Exchange Act of 1934 (“Act”),<sup>4</sup> and Rule 19b-4 thereunder,<sup>5</sup> Investors Exchange LLC (“IEX” or “Exchange”) is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change to modify the structure of its Fee Schedule and make several conforming and clarifying changes, pursuant to IEX Rule 15.110(a) and (c), in order to provide more clarity to market participants regarding the fees assessed for executions on the Exchange. Changes to the Fee Schedule pursuant to this proposal are effective upon filing and will be operative on July 1, 2018.

The text of the proposed rule change is available at the Exchange's website at [www.iextrading.com](http://www.iextrading.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to modify the structure of its Fee Schedule and make minor conforming changes, pursuant to IEX Rule 15.110(a) and (c), in order to provide more clarity to market participants regarding the fees assessed for executions on the Exchange. The Exchange's existing Fee Schedule requires market participants to determine which of the Exchange's Fee Codes are applicable to any given transaction, and then calculate the applicable fee that will be assessed depending on the applicable Fee Code

combination. After informal discussions with various market participants, the Exchange is proposing to provide more clarity to market participants regarding the fees assessed for executions on the Exchange by amending the structure of its Fee Schedule to explicitly provide each possible Fee Code combination, along with the associated fee applicable to such transaction. The Exchange is also proposing to make several minor substantive changes to the Fee Schedule and related rules to enhance the consistency and clarity of the Exchange's Fee Schedule.

###### Existing Fee Schedule

In an effort to incentivize Members <sup>6</sup> to submit displayed orders to the Exchange, the Exchange currently charges a fee of \$0.0003 per share (or 0.30% of the total dollar value of the transaction for securities priced below \$1.00) to Members for executions on IEX that provide or take resting interest with displayed priority (*i.e.*, an order or portion of a reserve order that is booked and ranked with display priority on the Order Book).<sup>7</sup> Furthermore, the Exchange currently charges \$0.0009 per share (or 0.30% of the total dollar value of the transaction for securities priced below \$1.00) to Members for executions on IEX that provide or take resting interest with non-displayed priority (*i.e.*, an order or portion of a reserve order that is booked and ranked with non-displayed priority on the Order Book).<sup>8</sup>

Moreover, in order to reduce the variability in fees to access liquidity on the Exchange and thereby incentivize Members to route more orders to the Exchange that are executable at the far side of the NBBO,<sup>9</sup> the Exchange assesses a deterministic Spread-Crossing Remove Fee of \$0.0003 per share to all executions at or above \$1.00 that result from removing liquidity with a buy (sell) order that is executable at the NBO (NBB).<sup>10</sup> The Exchange does not charge

<sup>6</sup> See Rule 1.160(s).

<sup>7</sup> This pricing is referred to by the Exchange as “Displayed Match Fee” with a Fee Code of ‘L’ provided by the Exchange on execution reports. See the Investors Exchange Fee Schedule, available on the Exchange public website.

<sup>8</sup> This pricing is referred to by the Exchange as the “Non-Displayed Match Fee” with a Fee Code of ‘I’ provided by the Exchange on execution reports. See the Investors Exchange Fee Schedule, available on the Exchange public website.

<sup>9</sup> As defined by Regulation NMS Rule 600(b)(42). 17 CFR 242.600.

<sup>10</sup> This pricing is referred to by the Exchange as the “Spread-Crossing Remove Fee”, with a Fee Code of ‘N’ provided by the Exchange on execution reports.
