Abstract: Information collected by the Service (in support of the land acquisition program) is required under applicable statutes, DOJ regulations, Departmental and Service policies, and best business practices. Examples of initial information collected from a willing-seller landowner include: The legal owner and/or co-owner names and addresses; the property location; the property legal description; the approval to access property; and permission to inspect and appraise. In the acquisition of certain low-value properties, or land donations, the Service also collects an approval for waiver of appraisal requirements. In those cases where a proposed land acquisition, from a willing seller, meets all the requisite inspections, surveys, valuation, environmental compliance, authorized approvals, and legal reviews, then the Service also collects additional information necessary to complete the legal conveyance documents, the associated financial transactions, and any Internal Revenue Service reporting requirements. The Service utilizes the Pre-Acquisition Tracking System (PATS) as the standard database in this information collection effort.

The PATS is a nationwide database system that minimizes data input errors and reduces risk while creating efficiencies through standardization of the Service's land acquisition business practices. The PATS simplifies the collection, use, sharing, and reporting of realty data, and provides a standard platform for interaction and collaboration throughout the Service's land acquisition program. The PATS directly benefits willing-seller landowners by ensuring that electronic data pertaining to them, or their property, is maintained in a secure, enterprise-wide database system, and that document preparation errors are minimized utilizing standardized data input protocols and document management capabilities. Implementation of this approach will make data calls and status reports more

consistent and timely, and the Service will be in compliance with the PRA.

In addition, the PATS database facilitates Secretarial Order 3356 and 3366 by tracking land acquisitions that have potential to support public hunting, fishing, and other forms of outdoor recreation, and access related thereto.

Authorities for the collection of realty-related information include:

- Regulations of the Attorney General Governing the Review and Approval of Title for Federal Land Acquisitions (2016);
- Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (49 CFR 24);
- National Wildlife Refuge Administration Act of 1966 (16 U.S.C. 668dd);

- Migratory Bird Conservation Act (16 U.S.C. 715–715r, as amended);
- Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 460l);

- Emergency Wetlands Resources Act of 1986 (16 U.S.C. 3901); and,
- Fish and Wildlife Act of 1956, as amended (16 U.S.C. 742a).

Information collected by the Service's Division of Realty via PATS may include the following:

- *Initial Requests*—Initial request to consider property, to include such items as:
 - Identifying information for the legal property owner(s), such as:

 - Introductory information.

Forms used by the Service in conjunction with initial requests to

collect information from the public include:

- *Access Permission Letter* (nonform—letter)—The Permission to Access Letter is a cover letter that contains the Permission to Inspect and Appraise document and may contain a Waiver of Appraisal document.
- *Permission to Inspect and Appraise* (FWS Form 3–2471)—Collects information about the property owner and location, and grants permission to enter and inspect the property for real estate acquisition purposes. Inspection may include, but is not limited to:
 - Appraisal Valuations;
 - Boundary survey;
 - Hazardous materials examination (contaminant survey); and
 - Physical examination of any structures on the property.

The document is not used in projects that are under Memoranda of Understanding (MOU), Memoranda of Agreement (MOA), Cooperative Agreements, some donation partnerships, and other special cases.

- *Waiver of Appraisal Requirement* (nonform—letter)—Per 49 CFR 24.102(c)(2), a willing-seller landowner may release the Service from the obligation of obtaining an appraisal for: (1) Land donations and (2) certain land acquisitions where the anticipated value is low and the valuation problem is uncomplicated.

Information is collected and protected in accordance with the Privacy Act (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552). We will maintain the information in a secure System of Records (Real Property Records, FWS–11, 64 FR 103 dated May 2, 1999).
