

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[Docket No. USCG–2018–0623]

Safety Zones; Annual Events in the Captain of the Port Buffalo Zone—July Events**AGENCY:** Coast Guard, DHS.**ACTION:** Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce certain safety zones located in federal regulations for recurring marine events. This action is necessary and intended for the safety of life and property on navigable waters during these events. During each enforcement period, no person or vessel may enter the respective safety zone without the permission of the Captain of the Port Buffalo.

DATES: The regulations in 33 CFR 165.939 will be enforced during the month of July as noted in the Supplementary Information section below.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email LCDR Michael Collet, Chief of Waterways Management, U.S. Coast Guard Sector Buffalo; telephone 716–843–9322, email D09-SMB-SECBuffalo-WWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the Safety Zones; Annual Events in the Captain of the Port Buffalo Zone listed in 33 CFR 165.939 for the following events:

(1) *Cleveland Triathlon, Cleveland, OH*; The safety zone listed in 33 CFR 165.939(b)(1) will be enforced from 5:45 a.m. to 11:15 a.m. on July 22, 2018.

(2) *Roverfest Fireworks, Lorain, OH*; The safety zone listed in 33 CFR 165.939(b)(2) will be enforced from 9:45 p.m. to 10:35 p.m. on July 21, 2018.

(3) *High Speed Boat Races, Mentor, OH*; The safety zone listed in 33 CFR 165.939(b)(3) will be enforced from 9:45 a.m. to 5:15 p.m. on July 22, 2018.

(4) *Parade of Lights, Cleveland, OH*; The safety zone listed in 33 CFR 165.939(b)(6) will be enforced from 9:30 p.m. to 10:15 p.m. on July 21, 2018.

(5) *Sheffield Lake Community Days, Sheffield Lake, OH*; The safety zone listed in 33 CFR 165.939(b)(10) will be enforced from 9:45 p.m. to 10:35 p.m. on July 27, 2018.

(6) *Lake Erie Open Water Swim, Cleveland, OH*; The safety zone listed in 33 CFR 165.939(b)(12) will be enforced

from 6:45 a.m. to 10:45 a.m. on July 14, 2018.

(7) *French Festival Fireworks, Cape Vincent, NY*; The safety zone listed in 33 CFR 165.939(b)(15) will be enforced from 9:15 p.m. to 10:45 p.m. on July 14, 2018.

(8) *Lyme Community Days, Chaumont, NY*; The safety zone listed in 33 CFR 165.939(b)(16) will be enforced from 9:15 p.m. to 10:15 p.m. on July 28, 2018.

(9) *Tonawanda's Canal Fest Fireworks, Tonawanda, NY*; The safety zone listed in 33 CFR 165.939(b)(26) will be enforced from 9:30 p.m. to 11:00 p.m. on July 22, 2018.

(10) *Oswego Harborfest, Oswego, NY*; The safety zone listed in 33 CFR 165.939(b)(28) will be enforced from 9:00 p.m. to 10:00 p.m. on July 28, 2018.

Pursuant to 33 CFR 165.23, entry into, transiting, or anchoring within the safety zone during an enforcement period is prohibited unless authorized by the Captain of the Port Buffalo or his designated representative. Those seeking permission to enter the safety zone may request permission from the Captain of Port Buffalo via channel 16, VHF–FM. Vessels and persons granted permission to enter the safety zone shall obey the directions of the Captain of the Port Buffalo or his designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

This notice of enforcement is issued under authority of 33 CFR 165.939 and 5 U.S.C. 552(a). In addition to this notice of enforcement in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via Broadcast Notice to Mariners or Local Notice to Mariners. If the Captain of the Port Buffalo determines that the safety zone need not be enforced for the full duration stated in this notice he or she may use a Broadcast Notice to Mariners to grant general permission to enter the respective safety zone.

Dated: July 10, 2018.

Joseph S. Dufresne,*Captain, U.S. Coast Guard, Captain of the Port Buffalo.*

Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port, Lake Michigan Zone**AGENCY:** Coast Guard, DHS.**ACTION:** Final rule.

SUMMARY: The Coast Guard is amending its safety zones regulation for Annual Events in the Captain of the Port Lake Michigan Zone. This amendment updates two permanent safety zones, adds three new permanent safety zones, and removes one old permanent safety zone. These amendments, additions, and removals are necessary to protect spectators, participants, and vessels from the hazards associated with annual maritime events, including sailing races, boat parades, swim events and air shows.

DATES: This rule is effective without actual notice from July 13, 2018. For the purposes of enforcement, actual notice will be used from the date the rule was signed, June 20, 2018, until July 13, 2018.

II. Background Information and Regulatory History

On April 19, 2018, the Coast Guard published a Notice of Proposed Rulemaking (NPRM) titled Safety Zones; Annual Events Requiring Safety Zones

in the Captain of the Port Lake Michigan Zone (USCG–2018–0082). The NPRM addressed the need for the safety zone and invited the public to comment on the proposed regulatory action. During the comment period that ended May 21, 2018, the Coast Guard received one comment. No public meeting was requested and none was held.

The Coast Guard is issuing this rule, and certain events are scheduled to take place during the 30 day period post-publication in the **Federal Register**. Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** because delaying the effective date of this rule would be contrary to public interest as it would inhibit the Coast Guard's ability to protect participants, mariners and vessels from the hazards associated with certain events. The Coast Guard will provide actual notice for those events occurring during this timeframe.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The purpose of this rule is to update the safety zones in 33 CFR 165.929 to ensure that they match the times, dates, and dimensions for various marine and triggering events that are expected to be conducted within the Captain of the Port Lake Michigan Zone throughout the year. The purpose is also to ensure the safety of vessels, persons and the navigable waters before, during and after scheduled events. Specific hazards include obstructions to the waterway that may cause marine casualties, collisions among vessels, and collisions between vessels and people.

IV. Discussion of Comments, Changes, and the Rule

As noted above, one comment was received on the NPRM published April 19, 2018. The one comment was irrelevant to the topic discussed in the NPRM. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule amends two permanent safety zones found within Table 165.929 in 33 CFR 165.929. These two amendments involve updating the location, size, and/or enforcement times for: One air show in Milwaukee, WI and one sailing race in Chicago, Illinois.

Additionally, this rule adds three new safety zones to Table 165.929 within 33 CFR 165.929 for annually reoccurring events in the Captain of the Port Lake Michigan Zone. These three zones were added to protect the public from the safety hazards previously described.

The three additions include two safety zones for boat parades in Milwaukee, WI, and one safety zone for a swim event in Milwaukee, WI. A list of specific changes and additions are available in the attachments within this Docket.

This rule also removes one permanent safety zone found within Table 165.929 in 33 CFR 165.929. The safety zone being removed is the Lubbers Cup Regatta listed as item (b)(2) in Table 165.929. This safety zone is being removed because the Lubbers Cup Regatta marine event was determined to no longer need a safety zone.

The Captain of the Port Lake Michigan has determined that the safety zones in this rule are necessary to ensure the safety of vessels and people during annual marine or triggering events in the Captain of the Port COTP Lake Michigan Zone. Although this rule will be effective year-round, the safety zones in this rule will be enforced only immediately before, during, and after events that pose a hazard to the public and only upon notice by the Captain of the Port Lake Michigan.

The Captain of the Port Lake Michigan will notify the public that the zones in this rule are or will be enforced by all appropriate means to the affected segments of the public, including publication in the **Federal Register**, as practicable, in accordance with 33 CFR 165.7(a). Such means of notification may also include, but are not limited to: Broadcast Notice to Mariners or Local Notice to Mariners.

All persons and vessels must comply with the instructions of the Coast Guard Captain of the Port COTP Lake Michigan or his or her designated representative. Entry into, transiting, or anchoring within the safety zones is prohibited unless authorized by the Captain of the Port or his or her designated representative. The Captain of the Port or his or her designated representative may be contacted via VHF–FM Channel 16 or at (414) 747–7182.

V. Regulatory Analyses

The Coast Guard developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive Orders, and we discuss First Amendment rights of protesters.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits.

Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on size, location, duration and time-of-day of the safety zones. The safety zones created by this rule will be relatively small, and effective only during the time necessary to ensure safety of spectator and participants for the listed events. Moreover, the Coast Guard will issue a Broadcast Notice to Mariners via VHF–FM marine channel 16 about the zones, and the rule allows vessels to seek permission to enter the zones.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman

and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security

Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of safety zones for yearly triggering and marine events on and around Lake Michigan. Normally such actions are categorically excluded from further review under paragraph L(60)(a) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Revise § 165.929 to read as follows:

§ 165.929 Safety Zones; Annual events requiring safety zones in the Captain of the Port Lake Michigan Zone.

(a) *Regulations.* The following regulations apply to the safety zones listed in Table 165.929 of this section.

(1) The general regulations in § 165.23.

(2) All vessels must obtain permission from the Captain of the Port (COTP) Lake Michigan or his or her designated representative to enter, move within, or exit a safety zone established in this section when the safety zone is

enforced. Vessels and persons granted permission to enter one of the safety zones listed in this section must obey all lawful orders or directions of the COTP Lake Michigan or his or her designated representative. Upon being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel must proceed as directed.

(3) The enforcement dates and times for each of the safety zones listed in Table 165.929 are subject to change, but the duration of enforcement would remain the same, or nearly the same, total number of hours as stated in the table. In the event of a change, the COTP Lake Michigan will provide notice to the public by publishing a Notice of Enforcement in the **Federal Register**, as well as, issuing a Broadcast Notice to Mariners.

(b) *Definitions.* The following definitions apply to this section:

(1) *Designated representative* means any Coast Guard commissioned, warrant, or petty officer designated by the COTP Lake Michigan to monitor a safety zone, permit entry into a safety zone, give legally enforceable orders to persons or vessels within a safety zone, and take other actions authorized by the COTP Lake Michigan.

(2) *Public Vessel* means a vessel that is owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(3) *Rain date* refers to an alternate date and/or time in which the safety zone would be enforced in the event of inclement weather.

(c) *Suspension of enforcement.* The COTP Lake Michigan may suspend enforcement of any of these zones earlier than listed in this section. Should the COTP Lake Michigan suspend any of these zones earlier than the listed duration in this section, he or she may make the public aware of this suspension by Broadcast Notice to Mariners and/or on-scene notice by his or her designated representative.

(d) *Exemption.* Public Vessels, as defined in paragraph (b) of this section, are exempt from the requirements in this section.

(e) *Waiver.* For any vessel, the COTP Lake Michigan or his or her designated representative may waive any of the requirements of this section upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or security.

33 CFR Part 165

[Docket Number USCG-2018-0647]

RIN 1625-AA00

Safety Zone; Willamette River, Wilsonville, OR

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters of the Willamette River within a designated area adjacent to the Wilsonville Wastewater Treatment Plant. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards while the plant outfall is being repaired. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Columbia River.

DATES: This rule is effective without actual notice from July 13, 2018 through August 31, 2018. For the purposes of enforcement, actual notice will be used from July 9, 2018 through July 13, 2018.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it would be impracticable to complete a notice-and-comment rulemaking by the start date of the construction project, July 9, 2018.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because Coast Guard needs to have a safety zone regulation in place by July 9, 2018, to respond to the potential safety hazards associated with the repair work to the outfall and associated vessels and machinery.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Columbia River (COTP) has determined that potential hazards associated with repair work to the Wilsonville Wastewater Treatment Plant outfall starting July 9, 2018, will be a safety concern for anyone within a designated area surrounding the outfall repair vessels and machinery. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the outfall is being repaired and maintained.

IV. Discussion of the Rule

This rule establishes a safety zone from July 9, 2018 through August 31, 2018. If the construction project is completed before August 31, 2018, the Captain of the Port, Columbia River will issue a general permission to enter the zone and a separate rule to terminate the effective period of this rule. This safety zone covers all navigable waters of the Willamette River surrounding the outfall repair vessels and machinery located in Wilsonville, OR, approximately 250 feet upstream and downstream from the work area adjacent to the Wilsonville Wastewater

Treatment Plant. Specific coordinates area listed in the regulatory text at the bottom of the document. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while the outfall is being repaired. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, and duration of the safety zone. Vessel traffic will be able to safely transit around this safety zone which will impact a small designated area of the Willamette River in Wilsonville, OR for less than two months. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.
