### Assessment Rates

In accordance with 19 CFR 351.212(b)(2), Commerce intends to issue appropriate instructions to U.S. Customs and Border Protection (CBP) 15 days after the date of publication of the final results of this review. Commerce will instruct CBP to liquidate shipments of subject merchandise produced and/or exported by the company listed above, entered, or withdrawn from warehouse, for consumption, from March 20, 2015, through December 31, 2015, at the *ad valorem* rate listed above.

Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for Borusan, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, Commerce will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company, as appropriate. Accordingly, the cash deposit requirements that will be applied to companies covered by this order, but not examined in this administrative review, are those established in the most recently completed segment of the proceeding for each company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

<sup>6</sup> For the Borusan Companies, we initiated on the following: Borusan Istikbal Ticaret (Istikbal) and Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (BMB). As explained in the PDM, we found Istikbal and BMB to be cross-owned under Borusan Holding, A.S. No party has provided argument to the contrary; thus, for these final results, we continue to find all three companies to be cross-owned, though only BMB received countervailable subsidies in this review period.

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

#### Circular Welded Carbon-Quality Steel Pipe From the United Arab Emirates: Notice of Court Decision Not in Harmony With Final Determination of Sales at Less Than Fair Value

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On July 9, 2018, the United States Court of International Trade (the Court) entered final judgment sustaining the final results of the remand redetermination by the Department of Commerce (Commerce) pertaining to the antidumping duty (AD) investigation of circular welded carbon-quality steel pipe (CWP) from the United Arab Emirates (UAE). Commerce is notifying the public that the final judgment in this case is not in harmony with Commerce's final determination in the AD investigation of CWP from the UAE.

**DATES:** Applicable July 19, 2018.

**FOR FURTHER INFORMATION CONTACT:** Blaine Wiltse and Whitley Herndon, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6345 and (202) 482-6274, respectively.

### SUPPLEMENTARY INFORMATION:

#### Background

Subsequent to the October 28, 2016, publication of the *Final Determination*,<sup>1</sup> and the December 16, 2016, publication of the *Order*,<sup>2</sup> Wheatland Tube Company (*i.e.*, the petitioner), filed a complaint with the Court challenging Commerce's treatment of the cost of "caps" used by Universal Tube and Plastic Industries, LLC—Jebel Ali Branch (UTP-JA), a producer/exporter of the mandatory respondent, Universal.<sup>3</sup> On April 24, 2018, the Court remanded Commerce's final determination with the instruction that Commerce reexamine whether UTP-JA's cost of caps should be treated as packing expenses in light of its prior treatment of this material.<sup>4</sup>

On June 22, 2018, Commerce issued its final results of redetermination, in which we reclassified UTP-JA's cost of caps as packing expenses; this revision did not change the final dumping margin for Universal.<sup>5</sup> On July 9, 2018, the Court sustained the Remand Redetermination.

Circuit held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), Commerce must publish a notice of a court decision that is not “in harmony” with a Commerce determination and must suspend liquidation of entries pending a “conclusive” court decision. The Court’s July 9, 2018, final judgment sustaining Commerce’s Remand Redetermination constitutes a final decision of the Court that is not in harmony with Commerce’s *Final Determination*. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, Commerce will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal, or if appealed, pending a final and conclusive court decision.

We have not amended the *Final Determination* because reclassifying UTP–JA’s cost of caps as packing expenses did not result in a change to the weighted-average dumping margin calculated for Universal in the *Final Determination*, which remains 5.58 percent.
