SUPPLEMENTARY INFORMATION: The Department of State is soliciting applications from subject matter experts who are U.S. citizens or legal permanent residents and representatives of scientific or industrial organizations that are engaged in the study of telecommunications or in the design or manufacture of equipment intended for telecommunication services, representatives of civil society organizations and academia, and individuals of any other corporation or organization engaged in telecommunications and information policy matters. Applicants should include experience participating in international organizations addressing telecommunications and information technical and policy issues, participating in U.S. preparatory activities for conferences and meetings of international organizations addressing technical and policy issues, and serving on U.S. delegations.

The ITAC is a federal advisory committee under the authority of 22 U.S.C. 2651a and 2656 and the Federal Advisory Committee Act, 5 U.S.C. Appendix. (“FACA”). The purpose of the ITAC is to advise the Department of State with respect to, and provide strategic recommendations on,
