statements with the committee, or make verbal comments from the floor during the public meeting, at the times, and in the manner, permitted by the BoV.

Written Statements: Pursuant to 41 CFR 102-3.105(j) and 102-3.140 and section 10(a)(3) of the Federal Advisory Committee Act, the public or interested organizations may submit written comments or statements to the BoV about its mission and/or the topics to be addressed in this public meeting. Written comments or statements should be submitted to Capt Campos, via electronic mail, the preferred mode of submission, at the email address listed in the FOR FURTHER INFORMATION CONTACT section in the following formats: Adobe Acrobat or Microsoft Word. The comment or statement must include the author’s name, title, affiliation, address, and daytime telephone number. Written comments or statements being submitted in response to the agenda set forth in this notice must be received by the committee DFO at least five (5) business days (20 July) prior to the meeting so that they may be made available to the BoV Chairman for their consideration prior to the meeting. Written comments or statements received after this date (20 July) may not be provided to the BoV until its next meeting. Please note that because the BoV operates under the provisions of the Federal Advisory Committee Act, as amended, all written comments will be treated as public documents and will be made available for public inspection.

Verbal Comments: Members of the public will be permitted to make verbal comments during the meeting only at the time and in the manner allowed by the BoV. In making such a request, the individual must submit a request, with a brief statement of the subject matter to be addressed by the comment, at least three (3) business days (24 July) in advance, via electronic mail, the preferred mode of submission, at the email address listed in the FOR FURTHER INFORMATION CONTACT section. The BoV DFO will log each request to make a comment, in the order received, and the DFO and BoV Chairman will determine whether the subject matter of each comment is relevant to the BoV’s mission and/or the topics to be addressed in this public meeting. A period near the end of the meeting will be available for verbal public comments. Members of the public who have requested to make a verbal comment and whose comments have been deemed relevant under the process described in this paragraph, will be allotted no more than five (5) minutes during this period, and will be invited to speak in the order in which their requests were received by the DFO. For the benefit of the public, rosters that list the names of BoV members and any releasable materials presented during the BoV meeting shall be made available upon request.

DEPARTMENT OF DEFENSE

Exchange of Air Force Real Property for Non-Air Force Real Property

AGENCY: Air Force Civil Engineer Center, United States Air Force, DoD.

ACTION: Notice of intent.

SUMMARY: The Air Force is publishing this Notice to identify Federal real property that it intends to exchange for property that is needed by the Air Force to limit encroachment and other constraints on military operations at Melrose Air Force Range (MAFR), NM.

FOR FURTHER INFORMATION CONTACT: Mr. Joe Weathersby, Air Force Civil Engineer Center (APCEC/CIUB), 2261 Hughes Avenue, Suite 155, Joint Base San Antonio (JBSA) Lackland, TX 78236–9853; telephone (210) 395–9516.

SUPPLEMENTARY INFORMATION: MAFR is a long established training range, consisting of some 70,000 acres, 25 miles west of Cannon Air Force Base, New Mexico. Operations on Melrose Range also cover an area of 2,500 square miles of airspace. Melrose is used for training such as air to ground, small arms, and electronic combat.

Description of the Air Force Property: Approximately 1,240 acres of undeveloped rangeland located on the southern perimeter of MAFR in Township 15, Ranjos 29E and 30E, in Roosevelt County, New Mexico. This undeveloped land is adjacent to private ranchlands owned by Davis Mesa Ranch, LLC, Davis Arch Ranch, LLC, and Davis Spear Ranch, LLC. The ranchland properties represent ideal conditions for the commercial development of wind energy generation. For the exchange of 1,240 acres of Air Force real property the owner of these properties has agreed to convey 160 acres of ranchland on the eastern perimeter of the range utilizing 10 U.S.C. 2869 authority.
