Notice of Proposed New Fee Site, Lake Berryessa, Napa, California; Federal Lands Recreation Enhancement Act

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of proposed new fee site; request for comments.

SUMMARY: The Bureau of Reclamation is proposing to charge and retain fees for day use and boat launch at Capell Cove Boat Launch, Oak Shores and Smittle Creek Day Use Areas located at Lake Berryessa. Special Recreation Event authorization fees, and shade shelter reservations are also proposed to be retained under this authority.

DATES: Submit written comments on the new fee site on or before January 31, 2019. The proposed new fees would begin May 1, 2019. Public meeting dates and location will be announced locally by press release and posted on the Lake Berryessa website at www.usbr.gov/mp/cca/berryessa/.

ADDRESSES: Send written comments on the proposed new fee site to Drew Lessard, Area Manager, Central California Area Office, Bureau of Reclamation, 7794 Folsom Dam Road, Folsom, California 95630.

FOR FURTHER INFORMATION CONTACT: Margaret David Bailey, Lake Berryessa Park Manager, Bureau of Reclamation, 5520 Knoxville Road, Napa, California 94558; or call (707) 966–2111 extension 106; or send email to m Bailey@usbr.gov.

SUPPLEMENTARY INFORMATION: The Federal Lands Recreation Enhancement Act (Title VII, Pub. L. 108–447) directed the Secretary of the Interior to publish a 6-month advance notice in the **Federal Register** whenever new recreation fee areas are established. Once public

outreach is complete, the new fees proposed below will be reviewed by the Bureau of Reclamation Mid-Pacific Regional Director prior to a final decision and implementation. Visitors wanting to reserve shade shelters would need to do so through the National Reservation Service at www.recreation.gov, or by calling 1–877–444–6777.

The proposed fee for day use is \$5 per vehicle (\$50 annual fee); boat launch is \$10 per launch (\$100 annual fee); and \$25 per shade shelter. All interagency Senior and Access Passes will be accepted for day use and discounted boat launching (50% discount). An analysis of the nearby Federal and state recreation offerings with similar amenities shows that the proposed fees are reasonable and typical of similar sites in the area. Funds from fees will be used for the continued operation, maintenance, and improvements of the reservoir area recreation amenities and related programs.

Agency Information Collection Activities; Recreation Use Data Report

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Bureau of Reclamation (Reclamation), are proposing to renew an information collection with revisions.

DATES: Interested persons are invited to submit comments on or before September 24, 2018.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to Ronnie Baca, Bureau of Reclamation, Office of Policy and Administration, 84–57000, P.O. Box 25007, Denver, CO 80225–0007; or by email to rbaca@usbr.gov. Please reference OMB Control Number 1006–0002 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Ronnie Baca by email at rbaca@usbr.gov, or by telephone at 303–445–3257.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of Reclamation; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might Reclamation enhance the quality, utility, and clarity of the information to be collected; and (5) how might Reclamation minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
