AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of proposed new fee site; request for comments.

SUMMARY: The Bureau of Reclamation is proposing to charge and retain fees for day use and boat launch at Capell Cove Boat Launch, Oak Shores and Smittle Creek Day Use Areas located at Lake Berryessa. Special Recreation Event authorization fees, and shade shelter reservations are also proposed to be retained under this authority.

DATES: Submit written comments on the new fee site on or before January 31, 2019. The proposed new fees would begin May 1, 2019. Public meeting dates and location will be announced locally by press release and posted on the Lake Berryessa website at www.usbr.gov/mp/ccao/berryessa/.

ADDRESSES: Send written comments on the proposed new fee site to Drew Lessard, Area Manager, Central California Area Office, Bureau of Reclamation, 7794 Folsom Dam Road, Folsom, California 95630.

FOR FURTHER INFORMATION CONTACT: Margaret David Bailey, Lake Berryessa Park Manager, Bureau of Reclamation, 5520 Knoxville Road, Napa, California 94558; or call (707) 966–2111 extension 106; or send email to mbailey@usbr.gov.

SUPPLEMENTARY INFORMATION: The Federal Lands Recreation Enhancement Act (Title VII, Pub. L. 108–447) directed the Secretary of the Interior to publish a 6-month advance notice in the Federal Register whenever new recreation fee areas are established. Once public outreach is complete, the new fees proposed below will be reviewed by the Bureau of Reclamation Mid-Pacific Regional Director prior to a final decision and implementation. Visitors wanting to reserve shade shelters would need to do so through the National Reservation Service at www.recreation.gov, or by calling 1–877–444–6777.

The proposed fee for day use is $5 per vehicle ($50 annual fee); boat launch is $10 per launch ($100 annual fee); and $25 per shade shelter. All interagency Senior and Access Passes will be accepted for day use and discounted boat launching (50% discount). An analysis of the nearby Federal and state recreation offerings with similar amenities shows that the proposed fees are reasonable and typical of similar sites in the area. Funds from fees will be used for the continued operation, maintenance, and improvements of the reservoir area recreation amenities and related programs.
