SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-83680; File No. SR-BX-2018-032]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Section 7018(a) of the Exchange's Rules

July 20, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 10, 2018, Nasdaq BX, Inc. ("BX" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Exchange's transaction fees at Rule 7018(a), as described further below.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqbx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the Exchange's transaction fees at Rule 7018 to (i) adjust the volume threshold for a credit associated with orders that access liquidity that are entered by members that access liquidity equal to or in excess of a certain percentage of their total Consolidated Volume³ for a month; (ii) establish two new credit tiers for orders that access liquidity equal to or exceeding 0.20% of total Consolidated Volume during a month and access 20% more liquidity as a percentage of Consolidated Volume than the member accessed in May 2018; and (iii) increase the fee applicable to buy (sell) orders with Midpoint pegging that receive an execution price that is lower (higher) than the midpoint of the National Best Bid and Offer ("NBBO").

First Change

The Exchange operates on the "taker-maker" model, whereby it pays credits to members that take liquidity and charges fees to members that provide liquidity. Currently, the Exchange offers several different credits for orders that access liquidity on the Exchange. Among these credits, the Exchange pays a credit of \$0.0015 per share executed for an order that accesses liquidity (excluding orders with Midpoint pegging and excluding orders that receive price improvement and execute against an order with a Non-displayed price) entered by a member that accesses liquidity equal to or exceeding

³ Pursuant to Rule 7018(a), the term "Consolidated Volume" means the total consolidated volume reported to all consolidated transaction reporting plans by all exchanges and trade reporting facilities during a month in equity securities, excluding executed orders with a size of less than one round lot.
