

as the Framework owner and would make the ROO responsible to the ICC President for the successful operation and maintenance of the Framework. The Framework would also designate certain responsibilities to ICC's CRO and the Risk Committee. The Commission believes that in doing so the Framework would allow ICC to establish clear and transparent arrangements for governing the Framework and its model validation procedures. The Commission further believes that these same arrangements would contribute to ICC's fulfilling the public interest requirements in Section 17A of the Act<sup>40</sup> applicable to clearing agencies, and the objectives of owners and participants. Finally, the Commission believes that these procedures and arrangements would promote the effectiveness of ICC's risk management procedures by clarifying the process for, and responsibilities associated with, using the Framework to improve ICC's risk management system.

Therefore, for the above reasons the Commission finds that the proposed rule change is consistent with Rule 17Ad-22(d)(8).<sup>41</sup>

#### IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act, and in particular, with the requirements of Section 17A(b)(3)(F) of the Act<sup>42</sup> and Rules 17Ad-22(b)(2), 17Ad-22(b)(3), 17Ad-22(b)(4), and 17Ad-22(d)(8) thereunder.<sup>43</sup>

It is therefore ordered pursuant to Section 19(b)(2) of the Act<sup>44</sup> that the proposed rule change (SR-ICC-2018-004) be, and hereby is, approved.<sup>45</sup>

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>46</sup>

**SUPPLEMENTARY INFORMATION:** Under its SBG Program, the SBA guarantees bid, payment and performance bonds for small and emerging contractors who cannot obtain surety bonds through regular commercial channels. SBA's guarantee gives Sureties an incentive to provide bonding for small businesses and, thereby, assists small businesses in obtaining greater access to contracting opportunities. SBA's guarantee is an agreement between a Surety and SBA that SBA will assume a certain percentage of the Surety's loss should a contractor default on the underlying contract. premium or premiums for sureties as it deems reasonable and necessary,” and to administer the SBG Program “on a prudent and economically justifiable basis,” 15 U.S.C. 694b(h), SBA assesses a guarantee fee against both the small business concern (the Principal) and the Surety and deposits these fees into a revolving fund to cover the program’s liabilities and certain program expenses.

SBA last changed the fees over 12 years ago when the fee charged to the Sureties was increased from 20% to 26% of the bond premium and the fee charged to Principals increased from \$6.00 per thousand dollars of the contract amount to \$7.29 per thousand dollars of the contract amount. Those fees have been in effect since April 3, 2006. At that time, SBA determined that the program’s revolving fund was insufficient to cover projected, unfunded liabilities. See 71 FR 9632 (February 24, 2006). SBA increased the guarantee fees to address the projected deficiency. Over the past 12 years, with the increased fee amounts, the revolving fund has accumulated sufficient funds to support the program.

SBA’s rules provide that the amount of the fees to be paid by the Surety and the Principal “will be determined by SBA and published in Notices in the **Federal Register** from time to time.” See 13 CFR 115.32(b) and (c) and 115.66. The purpose of this document is to announce that, for the one year period beginning October 1, 2018, the Surety fee will decrease from 26% of the bond premium to 20% of the bond premium and the Principal fee will decrease from \$7.29 per thousand dollars of the contract amount to \$6 per thousand dollars of the contract amount.

As indicated above, the decreases in the fees are temporary and will be in effect for guaranteed bonds approved during the one year period beginning October 1, 2018, and ending September 30, 2019. During the year, SBA will evaluate whether the lower fees will result in an increase in the bond activity level of the SBG Program and, if so, whether any such increased level of activity will generate sufficient revenues to offset the reduced fee amounts. After carefully reviewing program performance during the year, SBA will determine whether the guarantee fees should remain at these new amounts or if they should revert to the higher amounts or otherwise be changed.

SBA invites public comments on the above stated fee decreases. Please clearly identify paper and electronic comments as “Public Comments on Fee Decreases under the SBG Program Docket No. SBA–2018–0007” and submit them by one of the methods

identified in the **ADDRESSES** section of this document. SBA will consider the comments and determine whether any revisions are necessary.

**Authority:** 13 CFR 115.32(b) and (c) and 115.66.

Dated: July 23, 2018.

**SUPPLEMENTARY INFORMATION:** On January 26, 2017, TransCanada resubmitted its Presidential permit application for the proposed Keystone XL pipeline.
