d. The APKWS is a low-cost semi-active laser guidance kit developed by BAE Systems which converts unguided 2.75 inch (70 mm) rockets into precision laser-guided rockets. The classification is up to SECRET.

e. The AGM–114 Hellfire II Semi-Active Laser (SAL) Missiles are rail-launched guided missiles developed and produced by Lockheed Martin. The guidance system employs a SAL seeker. The SAL missile homes in on the laser energy reflected off a target that has been illuminated by a laser designator. The laser can be on either the launch platform or another platform that can be separated from it by several kilometers. The target sets are armor, bunkers, caves, enclosures, boats, and enemy personnel. The weapon system hardware, as an “All Up Round,” is UNCLASSIFIED. The highest level of classified information to be disclosed regarding the AGM–114 Hellfire II missile software is SECRET. The highest level of classified information that could be disclosed by a proposed sale or by testing of the end item is SECRET and the highest level that must be disclosed for production, maintenance, or training is CONFIDENTIAL.

2. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures which might reduce weapon system effectiveness.

3. The consequences of the loss of this technology to a technologically advanced or competent adversary could result in the compromise of equivalent systems, which in turn could reduce those weapons system’s effectiveness, or be used in the development of a system with similar or advanced capabilities.

4. A determination has been made that the Government of Bahrain can provide substantially the same degree of protection for the technology being released as the U.S. Government. This sale of the AH-1 Z Helicopter and associated weapons will further U.S. foreign policy and national security objectives.

5. All defense articles and services listed in this transmittal are authorized for release and export to the Government of Bahrain.

DELAWARE RIVER BASIN COMMISSION

Notice of Public Hearing and Business Meeting August 15 and September 13, 2018

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on Wednesday, August 15, 2018. A business meeting will be held the following month on Thursday, September 13, 2018. The hearing and meeting are open to the public. The public hearing in August will be held at the West Trenton Volunteer Fire Company Ballroom, 40 West Upper Ferry Road, West Trenton, New Jersey. The business meeting in September will be held at the RiverWinds Community Center, 1000 RiverWinds Drive, Thorofare, New Jersey.

Public Hearing. The public hearing on August 15, 2018 will begin at 1:30 p.m. Hearing items subject to the Commission’s review will include draft docket(s) for withdrawals, discharges, and other projects that could have a substantial effect on the basin’s water resources.

The list of projects scheduled for hearing, including project descriptions, will be posted on the Commission’s website, www.drbc.net, in a long form of this notice at least ten days before the hearing date.

Written comments on matters scheduled for hearing on August 15 will be accepted through 5:00 p.m. on August 20.

The public is advised to check the Commission’s website periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is deemed necessary to complete the Commission’s review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that project details commonly change in the course of the Commission’s review, which is ongoing.

Public Meeting. The public business meeting on September 13, 2018 will begin at 10:30 a.m. and will include: Adoption of the Minutes of the Commission’s June 13, 2018 Business Meeting, announcements of upcoming meetings and events, a report on hydrologic conditions, reports by the Executive Director and the Commission’s General Counsel, and consideration of any items for which a hearing has been completed or is not required.

After all scheduled business has been completed and as time allows, the Business Meeting will be followed by up to one hour of Open Public Comment, an opportunity to address the Commission on any topic concerning management of the basin’s water resources outside the context of a duly noticed, on-the-record public hearing.

There will be no opportunity for additional public comment for the record at the September 13 Business Meeting on items for which a hearing was completed on August 15 or a previous date. Commission consideration on September 13 of items for which the public hearing is closed may result in approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.

Advance Sign-Up for Oral Comment. Individuals who wish to comment on the record during the public hearing on August 15 or to address the Commissioners informally during the Open Public Comment portion of the meeting on September 13 as time allows, are asked to sign-up in advance through EventBrite. Links to EventBrite for the Public Hearing and the Business Meeting are available at drbc.net. For assistance, please contact Ms. Paula Schmitt of the Commission staff, at paula.schmitt@drbc.nj.gov.

Submitting Written Comment. Written comment on items scheduled for hearing may be made through SmartComment, the web-based comment system introduced by the Commission, a link to which is provided at drbc.net. SmartComment ensures that all submissions are captured in a single

Abstract: The purpose of the 21st Century Community Learning Centers (21st CCLC) program, as authorized under Title IV, Part B, of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA) (20 U.S.C. 7171–7176) is to create community learning centers that provide academic enrichment opportunities for children, particularly students who attend high poverty and low-performing schools, to meet State and local student standards in core academic subjects, to offer students a broad array of enrichment activities that can complement their regular academic programs, and to offer literacy and other educational services to the families of participating children. Present in all 50 states, the District of Columbia, Puerto Rico, US Virgin Islands, and the Bureau of Indian Education, academic enrichment and youth development programs are designed to enhance participants’ well-being and academic success. In support of this program, Congress appropriated nearly $1.2 billion for 21st CCLC programs for fiscal year 2016. Consisting of public and nonprofit agencies, community- and faith-based organizations, postsecondary institutions, and other community entities, 3,695 sub-grantees—operating 9,252 centers—provided academic and enrichment services and activities to over 1.8 million participants.

Dated: July 24, 2018.
