

request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, GEO withdrew its request for review by the 90-day deadline and no other party requested an administrative review of the antidumping duty order. Accordingly, we are rescinding the administrative review of the antidumping duty order on glycine from China for the period

March 1, 2017, through February 28, 2018, in its entirety, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of glycine from China. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: July 23, 2018.

Commerce is notifying the public that the Court's final judgment is not in harmony with Commerce's final results of the administrative review, and that Commerce is amending the final results with respect to certain exporters.

SUPPLEMENTARY INFORMATION:

Background

On April 7, 2014, Commerce issued its *AR9 Final Results*.¹ On July 2, 2014, Commerce issued its *AR9 Amended*

Final Results.² Agfish et al.³ and the petitioners⁴ timely filed complaints with the Court and challenged certain aspects of the *AR9 Amended Final Results*. On June 7, 2015, the Court remanded Commerce's *AR9 Amended Final Results*.⁵

In the first remand, in accordance with the Court's instructions, Commerce reconsidered its selection of the surrogate value (SV) for rice husk and provided further explanation concerning the cap to the fish oil by-product offset in Vinh Hoan Corporation's⁶ margin calculation.⁷ Additionally, and in accordance with the Court's instructions, Commerce made changes to Vinh Hoan's margin calculation, specifically, by adjusting the denominators for Vinh Hoan's factors of production (FOPs) to exclude water weight, and subsequently recalculating Vinh Hoan's net U.S. price of sales for subject merchandise on a net weight basis exclusive of water weight.⁸ The Court upheld our findings on all but one of these issues, *i.e.*, the fish oil by-product offset.⁹

On July 10, 2017, the Court remanded Commerce's First Remand Results.¹⁰ In the second remand, in accordance with the Court's instructions, Commerce provided further explanation with respect to the calculated fish oil by-

³ These include An Giang Fisheries Import and Export Joint Stock Company, Asia Commerce Fisheries Joint Stock Company, Cuu Long Fish Joint Stock Company, Hiep Thanh Seafood Joint Stock Company, International Development and Investment Corporation, NTSF Seafoods Joint Stock Company, QVD Food Company Ltd., Southern Fishery Industries Company, Ltd., and Vinh Hoan Corporation (collectively Agfish et al.).

⁴ Catfish Farmers of America and the following individual U.S. catfish processors: America's Catch, Consolidated Catfish Companies, LLC dba Country Select Catfish, Delta Pride Catfish, Inc., Harvest Select Catfish, Inc., Heartland Catfish Company, Pride of the Pond, and Simmons Farm Raised Catfish, Inc. product offset and its superiority as compared to the other fish oil SVs on the record.¹¹ On September 22, 2017, Commerce filed the Second Remand Results with the Court.

As a result of the AR9 Remand Results,¹² there are calculation changes. After accounting for all such changes and issues in the AR9 Remand Results, the resulting antidumping duty margin for Vinh Hoan is *de minimis*. Because Vinh Hoan's margin is now *de minimis*, Agifish's margin (unchanged) becomes the margin (\$1.20 per kilogram) for those companies not individually examined but receiving a separate rate. On May 24, 2018, the Court sustained the AR9 Remand Results.¹³

Consistent with the decision of the United States Court of Appeals for the Federal Circuit (CAFC) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), as clarified by *Diamond*

Sawblades Mfrs. Coalition v. United States, 626 F.3d 1374 (Fed. Cir. 2010) (*Diamond Sawblades*), Commerce is notifying the public that the final judgment in this cases is not in harmony with Commerce's final results of the antidumping duty administrative review of the antidumping duty order on fish fillets from Vietnam covering the POR. Thus, Commerce is amending the *AR9 Amended Final Results* with respect to the weighted-average dumping margins for Vinh Hoan, and the separate rate respondents.¹⁴

Timken Notice

In its decision in *Timken*, 893 F.2d at 341, as clarified by *Diamond Sawblades*, the CAFC held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (Act), Commerce must publish a notice of a court decision that is not "in harmony" with a Commerce

determination and must suspend liquidation of entries pending a "conclusive" court decision. The Court's May 24, 2018, judgment sustaining the AR9 Remand constitutes a final decision of the Court that is not in harmony with Commerce's *AR9 Amended Final Results*. This notice is published in fulfillment of the publication requirement of *Timken*.

Amended Final Results

Because there is now a final court decision, Commerce is amending the *AR9 Amended Final Results* with respect to Vinh Hoan, and the separate rate respondents. The revised weighted-average dumping margins for these exporters during the period August 1, 2011, through July 31, 2012, are as follows:

¹⁹ Includes the trade names East Sea Seafoods LLC and ESS.

²⁰ This rate is also applicable to QVD Dong Thap Food Co., Ltd. (Dong Thap) and Thuan Hung Co., Ltd. (THUFICO). In the second review of this order, Commerce found QVD, Dong Thap and THUFICO to be a single entity, and because there has been no evidence submitted on the record of this review that calls this determination into question, we continue to find these companies to be part of a single entity. Therefore, we will assign this rate to the companies in the single entity. See *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 53387 (September 11, 2006).

Accordingly, Commerce will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision. In the event the Court's ruling is not appealed or, if appealed, upheld by the CAFC, Commerce will instruct U.S. Customs and Border Protection to assess antidumping duties on unliquidated entries of subject merchandise exported by the companies identified above using the assessment rate calculated by Commerce in the AR9 Remand Results and listed above.

Cash Deposit Requirements

Unless the applicable cash deposit rates have been superseded by cash deposit rates calculated in an intervening administrative review of the AD order on frozen fish fillets from Vietnam, Commerce will instruct U.S. Customs and Border Protection to require a cash deposit for estimated AD duties at the rate noted above for each specified exporter and producer combination, for entries of subject merchandise, entered or withdrawn from warehouse, for consumption, on or after June 3, 2018.

Notification to Interested Parties
