[Public Notice: 10489]

Reducing Regulation and Public Burden, and Controlling Cost

AGENCY: Department of State.

ACTION: Request for comments.

SUMMARY: As part of its continuing implementation of Executive Order 13771, "Reducing Regulation and Controlling Regulatory Costs," issued by the President on January 30, 2017, the Department of State (the Department) is seeking comments and information from interested parties to assist the Department in identifying existing regulations, paperwork requirements and other regulatory obligations that can be modified or repealed, consistent with law, to achieve meaningful burden reduction while continuing to achieve the Department's statutory obligations. **DATES:** Written comments and related material must be received on or before September 6, 2018.

ADDRESSES: You may submit comments by email to the following address: RegsReform@state.gov.

FOR FURTHER INFORMATION CONTACT:

Alice Kottmyer, Attorney-Adviser, 202-647-2318; or Janet Freer, Director of the Office of Directives Management. Both can be reached at RegsReform@state.gov.

SUPPLEMENTARY INFORMATION: On January 30, 2017, President Trump

issued Executive Order 13771, Reducing Regulation and Controlling Regulatory Costs. Under that Executive Order, for every one new regulation issued, at least two prior regulations must be identified for elimination, and the cost of planned regulations must be prudently managed and controlled through a budgeting process. On February 24, 2017, the President issued Executive Order 13777, Enforcing the Regulatory Reform Agenda. That Executive Order directs agencies to take specific steps to identify and alleviate unnecessary regulatory burdens placed on the American people. We are seeking comments on Department regulations, guidance documents, and collections of information that you believe should be removed or modified to alleviate unnecessary burdens. The Department is also requesting economic data to support any proposed changes.

The Regulatory Reform Task Force

Executive Order 13777 directs agencies to designate a Regulatory Reform Officer (RRO) and to establish a Regulatory Reform Task Force (RRTF). The Deputy Secretary of State is the RRO. Other RRTF members include senior officials in the Department's primary regulatory bureaus (Bureaus of Consular Affairs, Educational and Cultural Affairs, Political-Military Affairs, and Administration), as well as other Department officials with expertise in legal requirements, planning and budget.

One of the duties of the RRTF is to evaluate existing regulations and make recommendations to the Secretary regarding their repeal, replacement, or modification. Executive Order 13777 further directs that the RRTF attempt to identify regulations that:

- Eliminate jobs, or inhibit job creation;
- Are outdated, unnecessary, or ineffective;
- Impose costs that exceed benefits;
- Create a serious inconsistency or otherwise interfere with regulatory reform initiatives and policies;
- Are inconsistent with the requirements of section 515 of the Treasury and General Government Appropriations Act, 2001 (44 U.S.C. 3516 note), or the guidance issued pursuant to that provision, in particular those regulations that rely in whole or in part on data, information, or methods that are not publicly available or that are insufficiently transparent to meet the standard of reproducibility; or

- Derive from or implement Executive Orders or other Presidential directives that have been subsequently rescinded or substantially modified.

Section 3(e) of the Executive Order calls on the RRTF to "seek input and other assistance, as permitted by law, from entities significantly affected by Federal regulations, including State, local, and tribal governments, small businesses, consumers, nongovernmental organizations, and trade associations" on regulations that meet some or all of the criteria above. The Department sought input in 2017 (see 82 FR 32493), and again solicits your comments.

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary special local regulation for certain waters of the Intracoastal Waterway. This action is necessary to provide for the safety of life on these navigable waters in Venice, FL, during the Battle of the Bridges on September 15, 2018. This proposed rulemaking would prohibit persons and vessels from being in the race area unless authorized by the Captain of the Port St. Petersburg (COTP) or a designated representative. II. Background, Purpose, and Legal Basis

On November 7, 2017, the Sarasota Scullers Youth Rowing Program notified the Coast Guard that it will be conducting the Battle of the Bridges sculler race from 7 a.m. to 7:30 p.m. on

September 15, 2018. The race will take place in portions of the Intracoastal Waterway in Venice, FL. The Captain of the Port St. Petersburg (COTP) has determined that potential hazards associated with the race to be a safety concern for anyone within area where the race is taking place.

The Coast Guard is requesting that interested parties provide comments within a shortened comment period of 15 days instead of a standard 30 days for this notice of proposed rulemaking. The Coast Guard believes a shortened comment period is necessary and reasonable because the special local regulation is necessary to ensure the safety of vessels and the navigable waters within, or near the race area during the scheduled event. Any delay in making this final rule effective by allowing comments for more than 15 days would not be in the best interest of public safety.

The Coast Guard proposes this rulemaking under authority in 33 U.S.C. 1233.

III. Discussion of Proposed Rule

The COTP proposes to establish a temporary special local regulation from 7 a.m. to 7:30 p.m. on September 15, 2018. The regulation would cover a race which would take place on approximately 3.5 miles of the Intracoastal Waterway starting near the Shamrock Park & Nature Center and ending near the Tamiami Trail Bridge in Venice, FL. The duration of the regulation is intended to ensure the safety of vessels and these navigable waters during the scheduled 7 a.m. to 7:30 p.m. race. No vessel or person would be permitted to enter the regulated area without obtaining permission from the COTP or a designated representative. Persons or vessels receiving permission to enter the regulated area must comply with the instructions of the COTP or a designated representative. The regulatory text we are proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory
