## NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA–2018–052]

### Records Schedules; Availability and Request for Comments

**AGENCY:** National Archives and Records Administration (NARA).

**ACTION:** Notice of availability of proposed records schedules; request for comments.

**SUMMARY:** The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when agencies no longer need them for current Government business. The records schedules authorize agencies to preserve records of continuing value in the National Archives of the United States and to destroy, after a specified period, records lacking administrative, legal, research, or other value. NARA publishes notice in the **Federal Register** for records schedules in which agencies propose to destroy records they no longer need to conduct agency business. NARA invites public comments on such records schedules.

**DATES:** NARA must receive requests for copies in writing by September 7, 2018. Once NARA finishes appraising the records, we will send you a copy of the schedule you requested. We usually prepare appraisal memoranda that contain additional information concerning the records covered by a proposed schedule. You may also

request these. If you do, we will also provide them once we have completed the appraisal. You have 30 days after we send to you these requested documents in which to submit comments.

**ADDRESSES:** You may request a copy of any records schedule identified in this notice by contacting Records Appraisal and Agency Assistance (ACRA) using one of the following means:

*Mail:* NARA (ACRA); 8601 Adelphi Road, College Park, MD 20740-6001.

*Email:* [request.schedule@nara.gov](mailto:request.schedule@nara.gov).

*FAX:* 301-837-3698.

You must cite the control number, which appears in parentheses after the name of the agency that submitted the schedule, and a mailing address. If you would like an appraisal report, please include that in your request.

**FOR FURTHER INFORMATION CONTACT:**

Margaret Hawkins, Director, by mail at Records Appraisal and Agency Assistance (ACRA); National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, by phone at 301-837-1799, or by email at [request.schedule@nara.gov](mailto:request.schedule@nara.gov).

**SUPPLEMENTARY INFORMATION:** NARA publishes notice in the **Federal Register** for records schedules they no longer need to conduct agency business. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

Each year, Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing records retention periods and submit these schedules for NARA's approval. These schedules provide for timely transfer into the National Archives of historically valuable records and authorize the agency to dispose of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media neutral unless otherwise specified. An item in a schedule is media neutral when an agency may apply the disposition instructions to records regardless of the medium in which it creates or maintains the records. Items included in schedules submitted to NARA on or after December 17, 2007, are media neutral unless the item is expressly limited to

a specific medium. (See 36 CFR 1225.12(e).)

Agencies may not destroy Federal records without Archivist of the United States' approval. The Archivist approves destruction only after thoroughly considering the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value.

In addition to identifying the Federal agencies and any subdivisions requesting disposition authority, this notice lists the organizational unit(s) accumulating the records (or notes that the schedule has agency-wide applicability when schedules cover records that may be accumulated throughout an agency); provides the control number assigned to each schedule, the total number of schedule items, and the number of temporary items (the records proposed for destruction); and includes a brief description of the temporary records. The records schedule itself contains a full description of the records at the file unit level as well as their disposition. If NARA staff has prepared an appraisal memorandum for the schedule, it also includes information about the records. You may request additional information about the disposition process at the addresses above.

**SUPPLEMENTARY INFORMATION:** The Pension Benefit Guaranty Corporation (PBGC or the Corporation) administers the pension plan termination insurance program under Title IV of the Employee Retirement Income Security Act of 1974 (ERISA). Section 4002(h) of ERISA provides for the establishment of an Advisory Committee to the Corporation. The Advisory Committee consists of seven members appointed by the President from among individuals recommended by the PBGC Board of Directors, which consists of the Secretaries of Labor, Treasury, and Commerce. The Advisory Committee members are as follows:

- Two representatives of employee organizations;
- Two representatives of employers who maintain pension plans; and
- Three representatives of the general public.

No more than four members of the Committee shall be members of the

same political party. Anyone currently subject to federal registration requirements as a lobbyist is not eligible for appointment.

Advisory Committee members must have experience with employee organizations, employers who maintain defined benefit pension plans, the administration or advising of pension plans, or in related fields. Appointments are for three-year terms. Some of the appointments may serve unexpired terms that have less than three years remaining. Reappointments are possible but are subject to the appointment process.

The Advisory Committee's prescribed duties include advising the Corporation as to its policies and procedures relating to investment of moneys, and other issues as the Corporation may request or as the Advisory Committee determines appropriate. The Advisory Committee meets at least six times each year. At least one meeting is a joint meeting with the PBGC Board of Directors.

By February 19, 2019, the terms of all of the Advisory Committee members will have expired. Therefore, PBGC is seeking nominations for all of the seats.

PBGC is committed to equal opportunity in the workplace and seeks a broad-based and diverse Advisory Committee.

If you or your organization wants to nominate one or more people for appointment to the Advisory Committee to represent any of the interest groups specified above, you may submit nominations to PBGC. Nominations may be in the form of a letter, resolution or petition, signed by the person making the nomination or, in the case of a nomination by an organization, by an authorized representative of the organization. PBGC encourages you to include additional supporting letters of nomination. PBGC will not consider self-nominees who have no supporting letters. Please do not include any information that you do not want publicly disclosed.

Nominations, including supporting letters, should:

- State the person's qualifications to serve on the Advisory Committee (including any specialized knowledge or experience relevant to the nominee's proposed Advisory Committee position);
- State that the candidate will accept appointment to the Advisory Committee if offered;

- Include the nominee's full name, work affiliation, mailing address, phone number, and email address;

- Include the nominator's full name, mailing address, phone number, and email address; and

- Include the nominator's signature, whether sent by email or otherwise.

PBGC will contact nominees for information on their political affiliation and their status as registered lobbyists. Nominees should be aware of the time commitment for attending meetings and actively participating in the work of the Advisory Committee. Historically, this has meant a commitment of at least 15 days per year. PBGC has a process for vetting nominees under consideration for appointment.

Issued in Washington, DC.
