

and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Advisory Council on Alcohol Abuse and Alcoholism.

Closed: September 13, 2018.

Time: 9:00 a.m. to 9:45 a.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, National Institute on Alcohol Abuse and Alcoholism, 6700-B Rockledge Drive, Conference Rooms A & B, Bethesda, MD 20817.

Open: September 13, 2018.

Time: 9:45 a.m. to 3:00 p.m.

Agenda: Presentations and other business of the Council.

Place: National Institutes of Health, National Institute on Alcohol Abuse and Alcoholism, 6700-B Rockledge Drive, Conference Rooms A & B, Bethesda, MD 20817.

Contact Person: Abraham P. Bautista, Ph.D., Executive Secretary, National Advisory Council, National Institute on Alcohol Abuse and Alcoholism, National Institutes of Health, 6700-B Rockledge Drive, Suite 1458, MSC 6902, Bethesda, MD 20892, 301-443-9737 bautista@mail.nih.gov.

Information is also available on the Institute's/Center's home page: <https://www.niaaa.nih.gov/news-events/meetings-events-exhibits>, where an agenda and any additional information for the meetings will be posted when available.

National Institute on Aging; Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and

the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Institute on Aging Special Emphasis Panel; ADC P30 Review.

Date: September 17-18, 2018.

Time: 2:00 p.m. to 1:00 p.m.

Agenda: To review and evaluate grant applications.

Place: Hilton Garden Inn, 7301 Waverly St., Bethesda, MD 20814.

Contact Person: Maurizio Grimaldi, MD, Ph.D., Scientific Review Officer, National Institute on Aging, National Institutes of Health, 7201 Wisconsin Avenue, Room 2C218, Bethesda, MD 20892, 301-496-9374, grimaldim2@mail.nih.gov.

Chronic Pain: The Science of Complementary and Integrative Health Approaches

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: This symposium on September 11, 2018, sponsored by the National Center for Complementary and Integrative Health, will bring leading researchers to discuss the science and potential uses of complementary and integrative health approaches in treating chronic pain.

DATES: The meeting will be held on September 11, 2018, from 8:30 a.m. to 5:30 p.m.

ADDRESSES: The meeting will be held at the Boston Convention and Exhibition Center, 415 Summer Street, Boston, MA 02210.

FOR FURTHER INFORMATION CONTACT: For information concerning this meeting, see the NCCIH website, <https://nccih.nih.gov/chronic-pain-symposium-2018?nav=govd>, the 17th World Congress on Pain website, <https://www.iaspworldcongressonpain.org/program/current-satellite-symposia/>

[#toggle-id-3](#), or contact Dr. Wen Chen, Acting Branch Chief and Program Director, Basic and Mechanistic Research, Division of Extramural Research, National Center for Complementary and Integrative Health, 6707 Democracy Boulevard, Suite 401, Bethesda, MD 20892, telephone: 301-451-3989; email: when.chen2@nih.gov.

SUPPLEMENTARY INFORMATION: This symposium, sponsored by the National Center for Complementary and Integrative Health, will bring leading researchers from multiple disciplines to discuss the science and potential uses of complementary and integrative health approaches in treating chronic pain. The symposium will highlight current concerns regarding the opioid epidemic and the potential roles of complementary and integrative health approaches in addressing this crisis. The objectives of the symposia are to: Present the past, present, and future of natural products research and pain management, focusing on our current understanding of the ascending and descending neural mechanisms by which different natural products may contribute to analgesia; ascertain the mechanisms by which a variety of mind and body approaches may modulate pain; and discuss translational potential for complementary and integrative approaches for individual-based chronic pain management.

Interested individuals can register for the symposia at: <https://www.iaspworldcongressonpain.org/registration/>. Once you have created a free IASP account, you can choose to register for a Satellite Symposium only. Choose the Satellite Symposium "Chronic Pain: The Science of Complementary and Integrative Health Approaches." The registration fee is \$20 for the 1-day symposium.

Dated: August 6, 2018.

David Shurtleff,

Acting Director, National Center for Complementary and Integrative Health, National Institutes of Health.

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer at (240) 276-1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: State Targeted Response to the Opioid Crisis Grant Program Mid-Year and End-Year Performance Reports

(OMB No. 0930-0378)—In Use Without OMB Approval

The Substance Abuse and Mental Health Services Administration (SAMHSA) is authorized under Section 1003 of the 21st Century Cures Act, as amended, to support a grant program, for up to 2 years, that addresses the supplemental activities pertaining to opioids currently undertaken by the state agency or territory and will

support a comprehensive response to the opioid epidemic.

SAMHSA received approval from OMB in September 2017 to collect performance data from Opioid State Targeted Response (STR) grantees (OMB No. 0930-0378). However, SAMHSA omitted a data collection table (Table E) in the original OMB request. This data table is currently in use by Opioid STR grantees, who are reporting Table E data to SAMHSA on a semi-annual basis. In order to correct this violation, SAMHSA is now seeking OMB approval for a new data collection package that includes not only the instruments originally approved by OMB in September 2017, but also this additional data collection table. It is important for SAMHSA to continue to collect this information in order to assess the impact of funding from the Opioid STR program on increasing access to prevention strategies, as well as treatment and recovery services to address the opioid crisis. Additionally, this data will provide SAMHSA with critical information to effectively manage the Opioid STR program, to help states and territories adopt, or scale-up, effective practices and policies, and to help prepare to implement the new State Opioid Response grant program.

The primary purpose of the Opioid STR program is to address the opioid crisis by increasing access to treatment, reducing unmet treatment need, and reducing opioid overdose related deaths through the provision of prevention, treatment and recovery activities for opioid use disorder (OUD) (including prescription opioids as well as illicit drugs such as heroin).

There are 57 (states and jurisdictions) award recipients in this program. All funded states and jurisdictions report on their implementation and performance through an online data collection system. Award recipients report performance on the following measures specific to this program: number of people who receive OUD treatment, number of people who receive OUD recovery services, number of providers implementing medication-assisted treatment, and the number of OUD prevention and treatment providers trained, to include nurse practitioners, physician assistants, as well as physicians, nurses, counselors, social workers, case managers, etc. This information is collected at the mid-point and conclusion of each grant award year. Additionally, each award recipient describes the purposes for which the grant funds received were expended and the activities implemented under the program.
