

fishing industry proposals and preliminary Habitat Plan Development Team evaluation for exemption areas in the Great South Channel Habitat Management Area. They will recommend alternatives to the Council for inclusion in the framework and for further analysis. The committee will receive an update on recent Essential Fish Habitat consultations from Greater Atlantic Regional Fisheries Office staff. They also plan to discuss recent Council and National Marine Fisheries Services activity related to offshore wind engagement and research and monitoring plans under development by the states. Other business will be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
