SUPPLEMENTARY INFORMATION:

Title: Fixed Residential Moving Cost Schedule.

Background: Relocation assistance payments to owners and tenants who move personal property for a Federal or federally-assisted program or project are governed by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (Uniform Act). 49 Code of Federal Regulations (CFR), part 24, is the implementing regulation for the Uniform Act. 49 CFR 24.301 addresses payments for actual and reasonable moving and related expenses. The fixed residential moving cost schedule is an administrative alternative to reimbursement of actual moving costs. This option provides flexibility for the agency and affected property owners and tenants. The FHWA requests the State Departments of Transportation (State DOTs) to analyze moving cost data periodically to assure that the fixed residential moving cost schedules accurately reflect reasonable moving and related expenses. The regulation allows State DOTs flexibility in determining how to collect the cost data in order to reduce the burden of government regulation. Updated State

fixed residential moving costs are submitted to the FHWA electronically.

Respondents: State Departments of Transportation (52, including the District of Columbia and Puerto Rico).

Frequency: Once every 3 years.

Estimated Average Burden per

Response: 24 hours per respondent.

Estimated Total Annual Burden

Hours: 24 hours for each of the 52 State Departments of Transportation. The total is 1,248 burden hours, once every 3 years, or 416 hours annually.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.

SUPPLEMENTARY INFORMATION:

Title: Disadvantaged Business Enterprise Program Collections.

OMB Control Number: 2105–0510.

Type of Request: Renewal of a Previously Approved Information Collection.

Abstract: The following information collections are associated with the U.S. Department of Transportation's (DOT) Disadvantaged Business Enterprise (DBE) program: Uniform Report of DBE Awards or Commitments and Payments, Uniform Certification Application Form, Annual Affidavit of No Change, DOT Personal Net Worth Form, and Reporting Requirements for Percentages of DBEs in Various Categories. All five collections were previously approved under one OMB Control Number (2105–0510) to allow DOT to more efficiently administer the DBE program. The DBE program is mandated by statute, including Section 1101(b) of the Fixing America's Surface Transportation Act (FAST Act) (Pub. L. 114–94) and 49 U.S.C. 47113. DOT's final regulations implementing these statutes are 49 CFR parts 23 and 26. The information to be collected is necessary because it helps to ensure that State and local recipients that let federally-funded contracts carry out their mandated responsibility to provide a level playing field for small businesses owned and controlled by socially and economically disadvantaged individuals.

Uniform Report of DBE Awards/Commitments and Payments

Affected Public: DOT financially-assisted State and local transportation agencies.
