Note Regarding Federal, State, and Local Government Agencies (Such as Departments of Motor Vehicles)

While Federal Government agencies must follow the guidelines laid out by the Federal Government, state and local government agencies establish their own rules and guidelines when granting certain benefits. Each state may have different laws, requirements, and determinations about what documents you need to provide to prove eligibility for certain benefits. Whether you are applying for a Federal, state, or local government benefit, you may need to provide the government agency with documents that show you are a TPS beneficiary and/or show you are authorized to work based on TPS. Examples of such documents are:

- (1) Your current EAD;
- (2) A copy of your Notice of Action (Form I-797C), the notice of receipt, for your application to renew your current EAD providing an automatic extension of your currently expired or expiring EAD;
- (3) A copy of your Notice of Action (Form I-797C), the notice of receipt, for your Application for Temporary Protected Status for this re-registration; and
- (4) A copy of your Notice of Action (Form I-797), the notice of approval, for a past or current Application for Temporary Protected Status, if you received one from USCIS. Check with the government agency regarding which document(s) the agency will accept. Some benefit-granting agencies use the USCIS Systematic Alien Verification for Entitlements (SAVE) program to confirm the current immigration status of applicants for public benefits. In most cases, SAVE provides an automated electronic response to benefit-granting agencies within seconds, but, occasionally, verification can be delayed. You can check the status of your SAVE verification by using CaseCheck at the following link: <https://save.uscis.gov/casecheck/>, then by clicking the "Check Your Case" button. CaseCheck is a free service that lets you follow the progress of your SAVE verification using your date of birth and one immigration identifier number. If an agency has denied your application based solely or in part on a SAVE response, the agency must offer you the opportunity to appeal the decision in accordance with the agency's procedures. If the agency has received and acted upon or will act upon a SAVE

verification and you do not believe the response is correct, you may make an InfoPass appointment for an in-person interview at a local USCIS office. Detailed information on how to make corrections, make an appointment, or submit a written request to correct records under the Freedom of Information Act can be found on the SAVE website at <http://www.uscis.gov/save>.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-6109-N-01]

Allocations, Common Application, Waivers, and Alternative Requirements for Community Development Block Grant Disaster Recovery Grantees

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: On April 10, 2018, HUD allocated nearly \$28 billion in Community Development Block Grant disaster recovery (CDBG-DR) funds appropriated by the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018. HUD allocated \$10.03 billion for the purpose of assisting in addressing unmet needs from disasters that occurred in 2017; \$2 billion for improved electrical power systems in areas impacted by Hurricane Maria; and \$15.9 billion for mitigation activities. This notice applies only to the \$10.03 billion allocated for long-term recovery from disasters that occurred in 2017. A future notice will specify the requirements and process for the electrical power systems funding and the mitigation funds.

This \$10.03 billion allocation for addressing unmet recovery needs supplements the \$7.4 billion in CDBG-DR funds appropriated by the Supplemental Appropriations for Disaster Relief Requirements Act, 2017, which allocated funds to Texas, Florida, Puerto Rico, and the U.S. Virgin Islands in response to qualifying disasters in 2017. In HUD's **Federal Register** notice published on February 9, 2018 (the "Prior Notice"), HUD described those allocations, applicable waivers and alternative requirements, relevant statutory and regulatory requirements, the grant award process, criteria for

action plan approval, and eligible disaster recovery activities.

DATES: *Applicability Date:* August 20, 2018.

I. Allocations

The Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Division B, Subdivision 1 of the Bipartisan Budget Act of 2018), approved February 9, 2018 (Pub. L. 115-123) (the "Appropriations Act"), appropriated nearly \$28 billion in CDBG-DR funds. Of this amount, up to \$16 billion is available to address unmet disaster recovery needs through activities authorized under title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*) (HCD Act) related to disaster relief, long-term recovery, restoration of infrastructure and housing, economic revitalization, and mitigation in the "most impacted and distressed" areas (identified by HUD using the best available data) resulting from a major declared disaster that occurred in 2017. Amounts allocated for these purposes supplement \$7.4 billion in CDBG-DR funds appropriated on September 8, 2017, by the Supplemental Appropriations for Disaster Relief Requirements, 2017 (Pub. L. 115-56)

(the "Prior Appropriation"). HUD allocated the first \$7.4 billion in the Prior Notice (83 FR 5844, February 9, 2018). This notice amends the Prior Notice to ensure consistency across allocations for the same qualifying disasters, and to give effect to requirements of the Appropriations Act, including that funds allocated under the Prior Notice are subject to the terms and conditions applicable to CDBG-DR funds under the Appropriations Act.

Based on the remaining unmet needs allocation methodology outlined in Appendix A, this notice allocates \$10,030,484,000 for unmet disaster recovery needs under the Appropriations Act. The allocation amounts for unmet recovery needs included in Table 1 exclude the \$2 billion set-aside for Puerto Rico and the Virgin Islands for electrical system improvements. The Appropriations Act further provided that of the nearly \$28 billion, HUD must allocate not less than \$12 billion for mitigation activities undertaken by grantees receiving an allocation of CDBG-DR funds for recovery from 2015, 2016, or 2017 disasters. On April 10, 2018, HUD announced that after addressing remaining 2017 unmet needs, HUD would allocate an additional \$3.9 billion for mitigation, bringing the amount designated for mitigation to \$15.9 billion. A subsequent notice will govern the allocations for mitigation and the allocations for electrical power system enhancements and improvements.

In accordance with the Appropriations Act, \$10,000,000 of the total amounts appropriated under the Act will be transferred to the Department's Office of Community Planning and Development (CPD), Program Office Salaries and Expenses, for necessary costs of administering and overseeing CDBG-DR funds made available under the Appropriations Act and \$15,000,000 is to be transferred to the CPD office to provide necessary capacity building and technical assistance to grantees. The Appropriations Act also provides \$10,000,000 to the Department's Office of the Inspector General for oversight of the appropriated CDBG-DR funds.

Although the Prior Notice requires each grantee to primarily consider and address its unmet housing recovery needs, grantees under this notice and the Prior Notice may also propose an allocation of funds that includes unmet economic revitalization and infrastructure needs that are unrelated to unmet housing needs after the grantee demonstrates in its needs assessment that there is no remaining unmet
