Overview of This Information Collection

(Overview of This Information Collection)

(1) Type of Information Collection: Revision of a currently approved collection.

(2) Title of the Form/Collection: Semi-Annual Progress Report for Grantees from the Enhanced Training and Services to End Violence Against and Abuse of Women Later in Life Program (Elder Abuse Program).

(3) Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number: 1122-0008. U.S. Department of Justice, Office on Violence Against Women.

(4) Affected public who will be asked or required to respond, as well as a brief abstract: The affected public includes the approximately 18 grantees of the Elder Abuse Program. Elder Abuse Program grants may be used for training programs to assist law enforcement officers, prosecutors, and relevant officers of Federal, State, tribal, and local courts in recognizing, addressing, investigating, and prosecuting instances of elder abuse, neglect, and exploitation and violence against individuals with disabilities, including domestic violence and sexual assault, against older or disabled individuals. Grantees fund projects that focus on providing training for criminal justice professionals to enhance their ability to address elder abuse, neglect and exploitation in their communities and enhanced services to address these crimes.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply: It is estimated that it will take the approximately 18 respondents (Elder Abuse Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different types of activities in which grantees may engage. An Elder Abuse Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

(6) An estimate of the total public burden (in hours) associated with the collection: The total annual hour burden to complete the data collection forms is 36 hours, that is 18 grantees completing a form twice a year with an estimated

completion time for the form being one hour.
