The www.regulations.gov website allows users to provide comments by filling in a “type comment” field, or by attaching a document using an “upload file” field. USTR prefers that you provide comments in an attached document. If a document is attached, it is sufficient to type “see attached” in the “type comment” field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in an application other than those two, please indicate the name of the application in the “type comment” field.

Filers submitting comments containing no business confidential information should name their file using the name of the person or entity submitting the comments. For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters “BC”. Any page containing business confidential information must be clearly marked “BUSINESS CONFIDENTIAL” on the top of that page. Filers of submissions containing business confidential information also must submit a public version of their comments. The file name of the public version should begin with the character “P”. The “BC” and “P” should be followed by the name of the person or entity submitting the comments. Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the comments themselves. Similarly, to the extent possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR strongly urges that you file submissions through www.regulations.gov. You must make any alternative arrangements with Yvonne Jamison at (202) 395-3475 before transmitting a comment and in advance of the relevant deadline.

We will post comments in the docket for public inspection, except business confidential information. You can view comments on the <https://www.regulations.gov> website by
