Identical sets of the final joint rule with identically numbered sections were adopted by the Board and the Department of the Treasury (the Treasury) within their respective titles of the Code of Federal Regulations (12 CFR part 233 for the Board and 31 CFR part 132 for the Treasury). Legal authorization and confidentiality: The Board is authorized pursuant to section 802 of the Act (31 U.S.C. 5364(a)) to prescribe regulations requiring designated payment systems and participants therein to establish of policies and procedures to identify and block or otherwise prevent or prohibit restricted transactions. The FR 4026 is mandatory. The policies and procedures are not required to be submitted to the Board, so normally no confidentiality issues would be implicated. To the extent such policies and procedures are obtained by the Board through the examination process, they may be kept confidential under exemption 8 of the Freedom of Information Act (5 U.S.C. 552(b)(8)), which protects information contained in or related to an examination of a financial institution.
