AGENCY: Office of Security and Strategic Information (OSSI), Immediate Office of the Secretary (IOS), Department of Health and Human Services (HHS).

ACTION: Notice of a new system of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended (the Act), the Department of Health and Human Services (HHS) is providing notice of the establishment of a new system of records, System No. 09-90-1701, HHS Insider Threat Program Records. The new system of records will cover records about individuals, retrieved by personal identifier, which are compiled and used by the Department's Office of Security and Strategic Information (OSSI), within the Immediate Office of the Secretary (IOS), to administer the Department's insider threat program. Because the records in this system of records include investigatory material compiled for law enforcement purposes and information classified in the interest of national security, elsewhere in today's **Federal Register** HHS has published a Notice of Proposed Rulemaking (NPRM) to exempt this system of records from certain requirements of the Privacy Act, pursuant to subsections (k)(1) and (k)(2) of the Act. The system of records is more fully described in the **SUPPLEMENTARY INFORMATION** section of this notice and in the System of Records Notice (SORN) published in this notice.

DATES: This system of records is applicable August 23, 2018 with the exception of the routine uses and exemptions. Written comments on the SORN should be submitted by September 24, 2018. If HHS receives no significant adverse comment within the specified comment period, the routine uses will be applicable on September 24, 2018. If any timely significant adverse comment is received, HHS will publish a revised system of records. The exemptions will be applicable following publication of a Final Rule.

ADDRESSES: The public should address written comments on the proposed system of records to insiderthreat@hhs.gov or to the HHS Office of Security and Strategic Information (OSSI), 200 Independence Avenue SW, Washington, DC 20201.
