SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C.

3003, of the completion of an inventory of human remains and associated funerary objects under the control of the State Center Community College District—Fresno City College, Fresno, CA. The human remains and associated funerary objects were removed from CA-MAD-1785, Madera County, CA, and CA-MAD-1788, Madera County, CA.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

Consultation

A detailed assessment of the human remains was made by the State Center Community College District—Fresno City College professional staff in consultation with representatives of the Big Sandy Rancheria of Western Mono Indians of California (previously listed as the Big Sandy Rancheria of Mono Indians of California); Buena Vista Rancheria of Me-Wuk Indians of California; Cold Springs Rancheria of Mono Indians of California; Middletown Rancheria of Pomo Indians of California; Northfork Rancheria of Mono Indians of California; Picayune Rancheria of Chukchansi Indians of California; Santa Rosa Indian Community of the Santa Rosa Rancheria, California; Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (Verona Tract), California; Table Mountain Rancheria (previously listed as the Table Mountain Rancheria of California); Tejon Indian Tribe; Tule River Indian Tribe of the Tule River Reservation, California; and Tuolumne Band of Me-Wuk Indians of the Tuolumne Rancheria of California.

The California Valley Miwok Tribe, California; Chicken Ranch Rancheria of Me-Wuk Indians of California; Fort McDermitt Paiute and Shoshone Tribes of the Fort McDermitt Indian Reservation, Nevada and Oregon; Ione Band of Miwok Indians of California; Jackson Band of Miwok Indians (previously listed as the Jackson Rancheria of Me-Wuk Indians of California); Pyramid Lake Paiute Tribe of the Pyramid Lake Reservation, Nevada; Reno-Sparks Indian Colony, Nevada; Walker River Paiute Tribe of the Walker River Reservation, Nevada; and Yerington Paiute Tribe of the Yerington Colony & Campbell Ranch, Nevada were contacted and invited to consult, but did not participate.

Two non-federally recognized groups, the Dunlap Band of Mono Indians and Traditional Choinumni Tribe, were consulted. One non-federally recognized group, the Wukchumni Tribe, was invited to consult, but did not participate. Hereafter, all tribes listed in this section are referred to as "The Consulted and Notified Tribes."

History and Description of the Remains

In the early 1990s, human remains representing, at minimum, one individual were removed from site CA-MAD-1785, in Madera County, CA. The human remains represent one adult of indeterminate sex, represented by four fragments. No known individuals were identified. The 12 associated funerary objects are: one lot of steatite sherds, six lots of steatite beads, and five lots of shell beads.

In the early 1990s, human remains representing, at minimum, one individual were removed from site CA-MAD-1788, in Madera County, CA. The human remains represent one sub-adult of indeterminate sex, represented by 14 fragments. No known individuals were identified. The five associated funerary objects are: one lot of shell fragments, one glass bead, one steatite bead, and two shell beads.

Fresno City College instructor Don Wren excavated both sites for the Deer Creek and Fine Gold Creek Projects. In January 2017, an osteological examination of the faunal collections was conducted to determine if human remains were present. That examination resulted in the identification of the human remains described in this inventory.

Determinations Made by the State Center Community College District—Fresno City College

Officials of the State Center Community College District—Fresno City College have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of two individuals of Native American ancestry based on archaeological context.
- Pursuant to 25 U.S.C. 3001(3)(A), the 17 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and associated funerary objects and both the Northfork Rancheria of Mono Indians of California and the Picayune Rancheria of Chukchansi

Indians of California, based on geographic information and oral tradition.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to Dr. Margaret Mericle, Fresno City College of The State Center Community College District, 1101 East University Avenue, Fresno, CA 93741, telephone (559) 442-8210, email peg.mericle@fresnocitycollege.edu, by September 24, 2018. After that date, if no additional requestors have come forward, transfer of control of the human remains and associated funerary objects to the Northfork Rancheria of Mono Indians of California and the Picayune Rancheria of Chukchansi Indians of California may proceed.

The State Center Community College District—Fresno City College is responsible for notifying The Consulted and Notified Tribes that this notice has been published.
