

in poultry; sentinel bird marking for identification prior to flock vaccination; appraisal and indemnity claims; compliance statements; and recordkeeping.

The information collection and recordkeeping activities described above represent Office of Management and Budget (OMB) control number 0579-0007, National Poultry Improvement Plan (NPIP), and OMB control number 0579-0445, National Poultry Improvement Plan and Auxiliary Provisions. After OMB approves this combined information collection package (0579-0007), APHIS will retire OMB control number 0579-0445.

We are asking OMB to approve our use of these information collection activities, as described, for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; e.g., permitting electronic submission of responses.

Estimate of burden: The public burden for this collection of information is estimated to average 0.50 hours per response.

Respondents: State agriculture officials; flock owners; breeders; hatchery operators; table-egg, meat-type chicken, and meat-type turkey producers; feedlot and slaughter plant personnel; approved laboratory personnel; prospective and certified auditors; visitors; and associated entities.

Estimated annual number of respondents: 6,851.

Estimated annual number of responses per respondent: 34.

Estimated annual number of responses: 234,963.

Estimated total annual burden on respondents: 117,254 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual

number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 21st day of August 2018.

Kevin Shea,

Administrator, Animal and Plant Health Inspection Service.

Forest Service

Revision of the Land Management Plan for El Yunque National Forest

AGENCY: Forest Service, USDA.

ACTION: Notice of the opportunity to object to the Revised Land Management Plan for El Yunque National Forest prior to approval.

SUMMARY: El Yunque National Forest, located in Puerto Rico, has prepared a Final Environmental Impact Statement (FEIS), a Revised Land Management Plan and a Draft Record of Decision (ROD). This notice is to inform the public that a 60-day period is being initiated where individuals or entities with specific concerns on El Yunque's Revised Land Management Plan and its associated FEIS may file an objection for a Forest Service review prior to the approval of the Revised Land Management Plan.

DATES: El Yunque's Revised Land Management Plan, FEIS, Draft ROD, and other supporting information, will be available for review at <http://www.fs.usda.gov/main/elyunque/landmanagement/planning> starting August 17, 2018.

A legal notice of the initiation of the 60-day objection period is also being published in El Yunque National Forest's newspaper of record, which is *El Nuevo Dia*. The date of the publication of the legal notice in *El Nuevo Dia* will determine the actual date of initiation of the 60-day objection period. A copy of the legal notice that is published in *El Nuevo Dia* will be posted on the website described above.

ADDRESSES: Copies of the Revised Land Management Plan for El Yunque National Forest, the FEIS, and the Draft ROD can be obtained online at: <http://www.fs.usda.gov/main/elyunque/landmanagement/planning>; or by visiting the Forest Supervisor's Office at the following location:

- Supervisor's Office, Rd. PR 191 Int. 988, Km. 4.4, Bo. Barcelona, Palmer, PR 00721 (Telephone: 787-888-1880); or by mailing a request to:

- Forest Supervisor's Office, HC 01 Box 13490, Rio Grande, PR 00745.

Objections must be submitted to the Reviewing Officer:

- Regional Forester, USDA—Forest Service, Attn: Objection Reviewing Officer, 1720 Peachtree Street, Atlanta, GA 30309 (Telephone: 404-347-4177; Fax: 404-347-4821).

Objections may be submitted electronically at objections-southern-regional-office@fs.fed.us.

Note that the office hours for submitting a hand-delivered objection are 8:00 a.m. to 4:30 p.m. Monday through Friday, excluding Federal holidays. Electronic objections must be submitted in a commonly used format such as an email message, plain text (.txt), rich text format (.rtf) or Microsoft Word® (.doc or .docx).

FOR FURTHER INFORMATION CONTACT:

Pedro Rios, Forest Planning Staff Officer, El Yunque National Forest at 787-888-1880. Individuals who use telecommunication devices for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8:00 a.m. and 8:00 p.m. (Eastern time), Monday through Friday.

SUPPLEMENTARY INFORMATION: The Forest Service, Southern Region, El Yunque National Forest, has prepared a Revised Land Management Plan, FEIS, and a Draft ROD. This notice is to inform the public that a 60-day period is being initiated where individuals or entities with specific concerns on El Yunque's Revised Land Management Plan and its associated FEIS and Draft ROD, may file an objection for a Forest Service review prior to the approval of the Revised Land Management Plan.

The publication date of the legal notice in El Yunque National Forest's newspaper of record, *El Nuevo Dia*, will initiate the 60-day objection period and is the exclusive means for calculating the time to file an objection (36 CFR 219.16 and 219.52). An electronic scan of the notice with the publication date will be posted on El Yunque National Forest's website at: <http://www.fs.usda.gov/main/elyunque/landmanagement/planning>.

The objection process under 36 CFR 219 subpart B, provides an opportunity for members of the public who have participated in the planning process for El Yunque National Forest to have any unresolved concerns reviewed by the Forest Service prior to a final decision by the Responsible Official. Only those who provided substantive formal

comments during opportunities for public comment during the planning process are eligible to file an objection. Regulations at 36 CFR 219.62 define substantive formal comments as:

Written comments submitted to, or oral comments recorded by, the responsible official or his designee during an opportunity for public participation provided during the planning process, and attributed to the individual or entity providing them. Comments are considered substantive when they are within the scope of the proposal, are specific to the proposal, have a direct relationship to the proposal, and include supporting reasons for the responsible official to consider.

How To File an Objection

The Forest Service will accept mailed, emailed, faxed, and hand-delivered objections concerning the Revised Land Management Plan and associated FEIS for 60 calendar days following the date of the publication of the legal notice of this objection period in the newspaper of record, *El Nuevo Dia*. It is the responsibility of the objector to ensure that the Reviewing Officer receives the objection in a timely manner. The regulations prohibit extending the length of the objection filing period.

Objections must be submitted to the Reviewing Officer, who will be the Regional Forester for the Southern Region, at the address shown in the **ADDRESSES** section of this notice. Objections or objection content specific to the identification of species of conservation concern will be forwarded to Glenn Casamassa, Associate Deputy Chief, delegated Reviewing Officer for the Chief of the Forest Service.

An objection must include the following (36 CFR 219.54(c)):

(1) The objector's name and address along with a telephone number or email address, if available. In cases where no identifiable name is attached to an objection, the Forest Service will attempt to verify the identity of the objector to confirm objection eligibility;

(2) Signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection);

(3) Identification of the lead objector, when multiple names are listed on an objection. The Forest Service will communicate to all parties to an objection through the lead objector. Verification of the identity of the lead objector must also be provided if requested;

(4) The name of the plan revision being objected to, and the name and title of the Responsible Official;

(5) A statement of the issues and/or parts of the plan revision to which the objection applies;

(6) A concise statement explaining the objection and suggesting how the proposed plan decision may be improved. If the objector believes that the plan revision is inconsistent with law, regulation, or policy, an explanation should be included;

(7) A statement that demonstrates the link between the objector's prior substantive formal comments and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment; and

(8) All documents referenced in the objection (a bibliography is not sufficient), except that the following need not be provided:

a. All or any part of a Federal law or regulation,

b. Forest Service Directive System documents and land management plans or other published Forest Service documents,

c. Documents referenced by the Forest Service in the planning documentation related to the proposal subject to objection, and

d. Formal comments previously provided to the Forest Service by the objector during the plan revision comment period.

Responsible Official

The responsible official for the revision of the Land Management Plan for El Yunque National Forest is Sharon Wallace, Forest Supervisor, El Yunque National Forest, HC 01 Box 13490, Rio Grande, PR 00745.

Dated: July 9, 2018.

Chris French,

Associate Deputy Chief, National Forest System.

SUPPLEMENTARY INFORMATION:

Title: Feral Swine Survey.

OMB Control Number: 0535-0256.

Type of Request: Intent to Seek Approval to Revise and Extend an Information Collection for three Years.

Abstract: On Feb 3, 1999, Executive Order 13112 was signed, establishing the National Invasive Species Council. This Executive Order requires that a Council of Departments dealing with invasive species be created. This Order was enhanced by Executive Order 13751 which was signed on Dec. 5, 2016. Currently there are 16 Departments and Agencies on the Council. <https://www.doi.gov/invasivespecies/about-nisc>.

On April 2, 2014 the USDA kicked off a national effort to reduce the devastating damage caused by feral swine. In 2015, the benchmark survey was conducted in 11 States (Alabama, Arkansas, California, Florida, Georgia, Louisiana, Mississippi, Missouri, North Carolina, South Carolina, and Texas) to measure the amount of damage feral hogs caused to specific crops in these states. The target population within these states consisted of farm operations who have historically produced one or
