2. Topics on Which the TPSC Seeks Information

The TPSC invites written comments and/or oral testimony of interested persons on China's compliance with commitments made in connection with its accession to the WTO, including, but not limited to, commitments in the following areas:

- A. Trading rights.
- B. Import regulation (e.g., tariffs, tariff-rate quotas, quotas, import licenses).
- C. Export regulation.
- D. Internal policies affecting trade (e.g., subsidies, standards and technical regulations, sanitary and phytosanitary measures, government procurement, trade-related investment measures, taxes and charges levied on imports and exports).
- E. Intellectual property rights (including intellectual property rights enforcement).
- F. Services.
- G. Rule of law issues (e.g., transparency, judicial review, uniform administration of laws and regulations) and status of legal reform.
- H. Other WTO commitments.

In addition, given the United States' view that China should be held accountable as a full participant in, and beneficiary of, the international trading system, USTR requests that interested persons specifically identify unresolved compliance issues that warrant review and evaluation by USTR's China Enforcement Task Force.

3. Notice of Public Hearing

The TPSC will hold a hearing on October 3, 2018, beginning at 9:30 a.m., to receive information regarding China's compliance with WTO commitments. The hearing will be held in Rooms 1 and 2, 1724 F Street NW, Washington, DC 20508, and will be open to the public and to the press. A transcript of the hearing will be available on www.regulations.gov within approximately two weeks after the date of the hearing.

All interested parties wishing to make an oral presentation at the hearing must submit, following the Requirements for Submissions below, the name, address, telephone number, and email address, if available, of the witness(es) representing their organization no later than midnight on September 19, 2018. Requests to present oral testimony must be accompanied by a written summary of the proposed testimony, in English. The TPSC will limit oral testimony to five-minute presentations that

summarize or supplement information contained in briefs or statements submitted for the record to allow for possible questions from the TPSC.
