Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Website:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- *Fax:* 202-493-2251.
- *Mail:* Docket Operations Facility, U.S. Department of Transportation, 1200 New Jersey Avenue SE, W12-140, Washington, DC 20590.
- *Hand Delivery:* 1200 New Jersey Avenue SE, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

FRA reserves the right to issue relief in this docket pending consideration of any comments received in response to this notice. Comments received after September 26, 2018 will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. Federal Railroad Administration

[Docket Number FRA-2007-28613]

Petition for Waiver of Compliance

Under part 211 of Title 49 of the Code of Federal Regulations (CFR), this provides the public notice that by a letter dated June 18, 2018, the San Francisco Bay Railroad (SFBR), formerly doing business as LB Railco, has petitioned the Federal Railroad Administration (FRA) for a renewal of a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 223, *Safety glazing standards—locomotives, passenger cars and cabooses*. FRA assigned the petition docket number FRA-2007-28613.

Specifically, SFBR requests relief for SFBR No. 23, an Alco S-2 diesel electric switcher locomotive built in 1945. The locomotive has its original glass in the cab, consisting of 13 separate windows. SFBR 23 has been operating for the past 73 years in and around the same area of San Francisco, and the glass has remained intact without damage. SFBR maintains 5 miles of Class 1 track with a maximum allowable speed of 10 miles per hour.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the Department of Transportation's Docket Operations Facility, 1200 New Jersey Ave. SE, W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments.
