

enforcement personnel or while in their custody.

For each reportable death identified in the Quarterly Summary, a State must complete and submit by the same reporting deadline an Incident Report (Form DCR-1A), which contains specific information on the circumstances of the death and additional characteristics of the decedent. These include:

- The decedent's name, date of birth, gender, race, and ethnicity.
- The date, time, and location of the death.
- The law enforcement or correctional agency involved.
- Manner of death.

States must answer all questions on the Incident Report before they can submit the form. If the State does not have sufficient information to complete one of the questions, then the State may select the "unknown" answer, if available, and then identify when the information is anticipated to be obtained.

Component: Bureau Justice Assistance, U.S. Department of Justice.

Affected public who will be asked or required to respond, as well as a brief abstract: Primary: State, Local, or Tribal Government.

Abstract: In order to comply with the mandate of the DCRA, the Department of Justice, Bureau of Justice Assistance, is proposing a new data collection for State Administering Agencies to collect and submit information regarding the death of any person who is detained, under arrest, or is in the process of being arrested, is en route to be incarcerated, or is incarcerated at a municipal or county jail, State prison, State-run boot camp prison, boot camp prison that is contracted out by the State, any State or local contract facility, or other local or State correctional facility (including any juvenile facility).

(3) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: For purposes of this collection, the term "State" includes any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands. Thus, the affected public that will be asked to respond on a quarterly basis each federal fiscal year includes 56 State and Territorial actors. These States will be requesting information from approximately 19,450 State and local law enforcement agencies (LEAs), 56 State and Territorial departments of corrections, and 2,800 local adult jail jurisdictions.

(4) An estimate of the total public burden (in hours) associated with the collection: For purposes of this burden calculation, it is estimated that for each fiscal year there will be a total of 1900 reportable deaths by 1,060 LEAs, 1,053 reportable deaths by 600 jails, and 3,483 reportable deaths by prisons.

For FY 2020 and beyond, the total projected respondent burden is 13,756.49 hours. States will need an estimated 4.00 hours to complete each Quarterly Summary for a total of 4,480.00 hours, 0.25 hours to complete each corresponding Incident Reports (DCR-1A) for a total of 1,713.49 hours. For LEAs, the estimated burden to assist States in completing the Quarterly Summaries is 0.40 hours per Report for a total of 1,696.00 hours, and a total of 1,425.00 hours, at 0.75 hours for each corresponding Incident Report. The estimated burden for jails is a total of 960.00 hours to assist States in completing the Quarterly Summaries and 789.75 hours in completing Incident Reports. Finally, the estimated burden for prisons to assist States in completing the Quarterly Summaries is a total of 80.00 hours, and a total of 2,612.25 hours to assist States in completing Incident Reports.
