The Title of the Form/Collection: Death in Custody Reporting Act Collection.

(2) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number (if applicable): DCR-1.

Quarterly Summary. This summary form requires States to either (1) identify all reportable deaths that occurred in their jurisdiction during the corresponding quarter and provide basic information about the circumstances of the death, or (2) affirm that no reportable death occurred in the State during the reporting period.

For each quarter in a fiscal year, a State must complete the Quarterly Summary (Form DCR-1) and submit it by the reporting deadline. The Quarterly Summary is a list of all reportable deaths that occurred in the State during the corresponding quarter with basic information about the circumstances of each death. If a State did not have a reportable death during the quarter, the State must so indicate on the Quarterly Summary. The reporting deadline to submit the Quarterly Summary is the last day of the month following the close of the quarter. For each quarter, BJA will send two reminders prior to the reporting deadline.

Example. The second quarter of a fiscal year is January 1—March 31. The deadline to submit the second quarter Quarterly Summary is April 30. BJA will send a reminder to States on March 31 and April 15.

Component: Bureau Justice Assistance, U.S. Department of Justice.

Form number (if applicable): DCR-1A

Incident Report. This incident report form requires States to provide additional information for each reportable death identified in the Quarterly Summary that occurred during interactions with law

enforcement personnel or while in their custody.

For each reportable death identified in the Quarterly Summary, a State must complete and submit by the same reporting deadline an Incident Report (Form DCR-1A), which contains specific information on the circumstances of the death and additional characteristics of the decedent. These include:

- The decedent's name, date of birth, gender, race, and ethnicity.
- The date, time, and location of the death.
- The law enforcement or correctional agency involved.
- Manner of death.

States must answer all questions on the Incident Report before they can submit the form. If the State does not have sufficient information to complete one of the questions, then the State may select the "unknown" answer, if available, and then identify when the information is anticipated to be obtained.
