

Carriers on Incidents Involving Animals During Air Transport,” through August 31, 2018.

As noted earlier, on May 21, 2018, DOT published a **Federal Register** notice with a 60-day comment period to renew this ICR. The comment period closed July 20, 2018.

In order to reduce burden to covered carriers, the ACPD established a website and online system for filing the required reports, <http://animalreport.ost.dot.gov>. This system enables covered carriers to easily and efficiently submit their reports through the internet rather than sending the reports to the Department by mail or email.

**Respondents:** U.S. carriers that operate scheduled passenger service with at least one aircraft having a designed seating capacity of more than 60 seats.

**Estimated Number of Respondents:** 32.

**Frequency:** For each respondent, one information set for the month of December, plus one information set during some other months (1 to 12).

**Estimated Total Burden on Respondents:** (1) Monthly reports of incidents involving the loss, injury, or death of animals during air transport: 0 to 384 hours (Respondents [32] × Time to Prepare One Monthly Report [1 hour] × Frequency [0 to 12 per year]). (2) December report containing the total number of animals that were lost, injured, or died during air transport in the calendar year and the total number of animals that were transported in the calendar year: 16 hours (Respondents [32] × Time to Prepare One December Report [0.5 hour] × Frequency [1 per year]).

**Public comments invited:** You are asked to comment on any aspect of this information collection, including (a) whether the proposed collection of information is necessary for the Department's performance; (b) the accuracy of the estimated burden; (c) ways for the Department to enhance the quality, utility, and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. All comments will become a matter of public record.

**Authority:** The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.27(n).
