Abstract: Pursuant to the Boulder
Canyon Project Act (43 U.S.C. 617, Pub.
L. 642-70th Congress, 45 Stat. 1057), all
diversions of mainstream Colorado
River water must be in accordance with
a Colorado River water entitlement. The
Consolidated Decree of the United
States Supreme Court in *Arizona v.
California*, 547 U.S. 150 (2006) requires
the Secretary of the Interior to account
for all diversions of mainstream
Colorado River water along the lower
Colorado River, including water drawn
from the mainstream by underground
pumping. To meet the water entitlement
and accounting obligations, an
inventory of wells and river pumps is
required along the lower Colorado
River, and the gathering of specific
information concerning these wells.

Title of Collection: Lower Colorado
River Well Inventory.

OMB Control Number: 1006-0014.

Form Number: Form LC-25.

Type of Review: Extension of a
currently approved collection.

Respondents/Affected Public: Well
owners and operators along the lower
Colorado River in Arizona, California,
and Nevada. Each diverter (including
well pumpers) must be identified and
their diversion locations and water use
determined.

**Total Estimated Number of Annual
Respondents:** 150.

**Total Estimated Number of Annual
Responses:** 150.

**Estimated Completion Time per
Response:** Approximately 20 minutes is
required to interview individual well
and river-pump owners or operators.

**Total Estimated Number of Annual
Burden Hours:** 50 hours.

Respondent's Obligation: Required to
obtain or retain a benefit.

Frequency of Collection: These data
are collected only once for each well or
river-pump owner or operator as long as
changes in water use, or other changes
that would impact contractual or
administrative requirements, are not
made. A respondent may request that
the data for its well or river pump be
updated after the initial inventory.

**Total Estimated Annual Non-hour
Burden Cost:** 0.

An agency may not conduct or
sponsor and a person is not required to
respond to a collection of information
unless it displays a currently valid OMB
control number.

The authority for this action is the
Paperwork Reduction Act of 1995 (44
U.S.C. 3501 *et seq.*).

Dated: May 7, 2018.

Terrance J. Fulp,

Regional Director, Lower Colorado Region.
