Public Law 106–117 “The Veterans Millennium Health Care and Benefits Act” amended 38 U.S.C. by adding § 1725 establishing reimbursement authority for an individual who is an active Department health-care participant who is personally liable for emergency treatment furnished in a non-Department facility provided that the veteran is (1) enrolled in the VA health care system as established under § 1705(a) of this title and (2) the veteran is personally liable for emergency treatment furnished the veteran in a non-Department facility and (3) the veteran does not have coverage under a health-plan contract that would fully extinguish the medical liability for the emergency treatment and (4) the veteran has no other contractual or legal recourse against a third party that would extinguish such liability to the provider and (5) the veteran is not eligible for reimbursement for medical care or services under § 1728 of this title.
