ACTION: Notice of error and extension of public comment period.

SUMMARY: This action corrects an error related to potential disposal of Federal lands under the Federal Land Policy and Management Act, as amended (FLPMA), within a notice published in the Federal Register on August 17, 2018. The BLM is modifying the Draft RMPs and EIS so that it does not include any Federal lands identified as available for potential disposal under FLPMA.

SUPPLEMENTARY INFORMATION: On December 4, 2017, President Trump signed Presidential Proclamation 9682 modifying the boundaries of the GSENM as established by Proclamation 6920 to exclude from designation and reservation approximately 861,974 acres of land. Lands that are excluded from the Monument boundaries are now referred to as the Kanab-Escalante Planning Area and are managed in accordance with the BLM’s multiple-use mandate.

The Draft EIS noticed in the Federal Register on August 17, 2018 (83 FR 41108), includes three alternatives that identify Federal lands as available for potential disposal under FLPMA. In accordance with direction issued by the Deputy Secretary of the Interior in an August 17, 2018, Memorandum, the BLM is modifying the Draft RMPs and EIS so that the range of alternatives does not identify any lands as available for potential disposal under FLPMA. The BLM has made a limited number of corresponding changes to sections included in the Draft RMPs and EIS, including the Executive Summary, Chapter 2 (Alternatives), Chapter 3 (Affected Environment and Environmental Consequences), Appendix A (Map 35), Appendix G (Best Management Practices), Appendix H (Stipulations and Exceptions, Modifications and Waivers), and Appendix K (Lands Identified for Disposal). These modifications do not substantially change the alternatives in the Draft RMPs and EIS or the analysis of effects on the human environment, but they do remove the identification of

Federal lands as available for potential disposal under FLPMA.

The modified Draft RMPs and EIS and an accompanying errata sheet that includes a summary of all of the changes made will be distributed to stakeholders and is available on the BLM’s ePlanning website at: https://goo.gl/EHvhbc.
