BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2016-0028]

Petition for Waiver of Compliance

Under part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that on August 3, 2018, the Regional Transportation District (RTD) and the City of Denver, Colorado, petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 222. FRA assigned the petition Docket Number FRA-2016-0028.

Specifically, petitioners seek a waiver from the provisions of 49 CFR 222.35(b)(1) to establish a new quiet zone consisting of twelve public highway-rail grade crossings with active grade crossing warning devices comprising both flashing lights and gates that are not equipped with constant warning time devices. The crossing warning devices on the proposed "Denver East Corridor Quiet Zone" on the RTD A-Line are primarily activated by a wireless crossing activation system (WCAS) using "GPS-determined train speed and location to predict how many seconds a train is from the crossing." Petitioners assert that this information is communicated wirelessly to the crossing warning devices and seeks to provide constant warning times. Additionally, this system is supplemented by a conventional track warning system in case the WCAS is unavailable.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Hand Delivery:* 1200 New Jersey Avenue SE, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.
