This proposed rule would remove a regulatory provision issued by the NPS in 2015 that prohibited certain sport hunting practices that are otherwise permitted by the State of Alaska. These proposed changes are consistent with Secretary of the Interior Orders 3347 and 3356. The public comment period for this proposal is scheduled to close on September 6, 2018. In order to give the public additional time to review and comment on the proposal, the NPS is extending the public comment period until Monday November 5, 2018. This date matches the deadline to submit comments on the related Environmental Assessment. Comments previously submitted on the proposed rule need not be resubmitted, as they will be fully considered in preparing the final rule.
