

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection:* Extension of a currently approved collection.
2. *The Title of the Form/Collection:* Federal Coal Lease Reserves.
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form numbers are ATR-139 and ATR-140. The applicable component within the Department of Justice is the Antitrust Division.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*
Primary: Business or other for profit. Other: None. The Department of Justice evaluates the competitive impact of issuances, transfers and exchanges of federal coal leases. These forms seek information regarding a prospective coal lessee's existing coal reserves. The Department uses this information to determine whether the issuance, transfer or exchange of the federal coal lease is consistent with the antitrust laws.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 10 respondents will complete each form, with each response taking approximately two hours.

6. *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 20 annual burden hours associated with this collection, in total.
