1,1,1,2-Tetrafluoroethane (R–134A) From the People's Republic of China: Notice of Rescission of the Antidumping Duty Administrative Review, 2016–2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping order on 1,1,1,2-tetrafluoroethane (R–134A) from the People’s Republic of China (China) covering the October 7, 2016, through March 31, 2018, period of review (POR).

SUPPLEMENTARY INFORMATION:

Background

On April 2, 2018, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on R–134A from China.1 On April 27, and April 30, 2018, Commerce received timely requests for review from two producers and/or exporters of the subject merchandise: T.T. International Co., Ltd. (TTI) and Zhejiang Sanmei Chemical Ind. Co., Ltd. (also known as Zhejiang Sanmei Chemical Industry Co., Ltd. or “Zhejiang Sanmei”) (Sanmei).2

Based on these requests, on June 6, 2018, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), Commerce published in the Federal Register a notice of initiation of an administrative review covering the October 7, 2016, through March 31, 2018 POR, with respect to TTI and Sanmei.3 On August 7 and 21, 2018, TTI and Sanmei, respectively, timely withdrew their requests for an antidumping duty administrative review, pursuant to 19 CFR 351.213(d)(1).4 No other party requested a review of this order.

Recission

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party who requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. TTI and Sanmei both timely withdrew their requests for an administrative review within the 90-day deadline, and no other party requested an administrative review of this order. Therefore, we are rescinding the administrative review of antidumping duty order on R–134A from China covering the period October 7, 2016 through March 31, 2018, in its entirety.

Assessment

Because Commerce is rescinding this administrative review in its entirety, Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of R–134A from China. The entries to which this administrative review pertains shall be assessed antidumping duties at rates equal to the cash deposits of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the Federal Register.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: August 31, 2018.

James Maeder,
Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of the Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Steel Nails From the People’s Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2016–2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain steel nails (nails) from the People’s Republic of China (China) were...
sold in the United States at less than normal value (NV) during the period of review (POR), August 1, 2016, through July 31, 2017.

FOR FURTHER INFORMATION CONTACT: Susan Pullongbarit or Benito Ballesteros, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4031 or (202) 482–7425, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 16, 2017, Commerce published in the Federal Register the notice of initiation of an administrative review of the antidumping duty order on nails from China for the POR, August 1, 2016, through July 31, 2017. Commerce initiated a review with respect to 145 companies. Pursuant to section 777A(c)(2)(A) of the Tariff Act of 1930, as amended (the Act), Commerce selected three mandatory respondents, The Stanley Works (Langfang) Fastening Systems Co., Ltd. and Stanley Black & Decker, Inc. (collectively, Stanley), Dezhou Dinglong Hardware Products Co. Ltd. (Dinglong), and Shandong Dinglong Import & Export Co., Ltd. (Shandong Dinglong). On April 30, 2018, Commerce extended the deadline for issuing the preliminary results by 90 days. On August 1, 2018, Commerce fully extended the deadline for issuing the preliminary results to September 4, 2018.

Scope of the Order

The products covered by this review are nails from China. For a full description of the scope, see the Preliminary Decision Memorandum, dated concurrently with and hereby adopted by this notice.

Preliminary Determination of No Shipments

Based on the no-shipments letters filed by nine companies, Commerce preliminarily determined that these companies had no shipments during the POR. For additional information regarding this determination, including a list of these companies, see the Preliminary Decision Memorandum.

China-Wide Entity

Commerce preliminarily determined that information placed on the record by the three mandatory respondents, as well as by the 19 other separate rate applicants, demonstrates that these companies are entitled to separate rate status. See Preliminary Results of Review section below. For additional information, see the Preliminary Decision Memorandum.

Sample Rate Calculation

In the Sampling Methodology Notice, we stated that, in order to calculate a rate to assign the non-selected companies when using a sampling procedure, Commerce will calculate a “sample rate” based upon an average of the rates for the selected respondents, weighted by the import share of their corresponding strata. The respondents selected for individual examination through the sampling process will receive their own rates; all companies in the sample population who were not selected for individual examination will receive the sample rate. Accordingly, we have calculated the sample rate by averaging the rates for the three selected respondents, weighted by the import share of their corresponding strata. The non-selected companies entitled to a separate rate have been assigned the sample rate. For additional information and a discussion of the issues examined with regard to the calculation of the sample rate, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and 751(a)(2)(A) of the Act. Constructed export prices and export prices have been calculated in accordance with section 772 of the Act. Because China is an NME country within the meaning of section 771(18) of the Act, NV has been calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.
Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at http://enforcement.trade.gov/frn/. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

### Disclosure

Commerce intends to disclose to interested parties the calculations performed in connection with these preliminary results within five days of its public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

### Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of these preliminary results, unless the Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs. Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this administrative review are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party’s name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the Federal Register, pursuant to section 751(a)(3)(A) of the Act, unless extended.

### Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

For any individually examined respondent whose weighted average dumping margin is not zero or de minimis (i.e., less than 0.50 percent) in the final results of this review, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1). Where an importer-specific ad valorem rate is not zero or de minimis, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation. Where either a respondent’s weighted-average

dumping margin is zero or de minimis, or an importer-specific ad valorem assessment rate is zero or de minimis. Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.  \(^\text{19}\)

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is de minimis, then cash deposit rate will be zero); (2) for previously examined China and non-China exporters not listed above that at the time of entry are eligible for a separate rate based on a prior completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate at the time of entry, the cash deposit rate will be that for the China-wide entity (i.e., 118.04 percent); and (4) for all non-China exporters of subject merchandise which at the time of entry are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-China exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification to Interested Parties**

This preliminary determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

3. Scope of the Order
SUMMARY: In accordance with the Tariff Act of 1930, as amended (the Act), the Department of Commerce (Commerce) is automatically initiating the five-year reviews (Sunset Reviews) of the antidumping and countervailing duty (AD/CVD) order(s) listed below. The International Trade Commission (the Commission) is publishing concurrently with this notice its notice of Institution of Five-Year Reviews which covers the same order(s).

DATES: Applicable September 1, 2018.

SUPPLEMENTARY INFORMATION:

Background

Commerce’s procedures for the conduct of Sunset Reviews are set forth in its Procedures for Conducting Five-Year (Sunset) Reviews of Antidumping and Countervailing Duty Orders, 63 FR 13516 (March 20, 1998) and 70 FR 62061 (October 28, 2005). Guidance on methodological or analytical issues relevant to Commerce’s conduct of Sunset Reviews is set forth in Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification, 77 FR 8101 (February 14, 2012).

Initiation of Review

In accordance with section 751(c) of the Act and 19 CFR 351.218(c), we are initiating the Sunset Reviews of the following antidumping and countervailing duty order(s):
