SUPPLEMENTARY INFORMATION:

Title: Almonds Grown in California, Marketing Order No. 981.

OMB Number: 0581-NEW.

Expiration Date of Approval: This is a NEW collection.

Type of Request: Approval of New Information Collection.

Abstract: Under the Agricultural Marketing Agreement Act of 1937 (AMAA), as amended (7 U.S.C. 601-674), fresh fruits, vegetables and specialty crop industries can create marketing order programs that provide an opportunity for producers, in a specified production area, to work together to solve marketing problems. The Secretary of Agriculture is authorized to oversee the marketing order operations and to consider the issuance of regulations recommended by a committee of representatives from each commodity industry.

The Almond Marketing Order, as amended, (7 CFR part 981), hereinafter referred to as the "Order" regulates the handling of almonds grown in California. The Order authorizes research and promotion activities, as well as quality regulations, and provides for the establishment of the Almond Board of California (Board).

The Board locally administers the Order with USDA oversight. Board members and alternates are appointed by USDA from nominations submitted by industry members to the Board. The Board conducts the nomination process with a petition form completed by individual growers and handlers to nominate themselves or others. Industry members then complete ballots to vote on those individuals whose names would be submitted to USDA for consideration for appointment to the Board. Only authorized employees of the Board, and authorized

representatives of the USDA, including AMS, Specialty Crops Program's regional and headquarters staff have access to information provided on the forms.

Requesting public comments on the ballots and petition form described below is part of the process to obtain approval of the forms by the Office of Management and Budget (OMB). These forms have been designated OMB No. 0581-NEW. The forms include Independent Grower Ballot (ABC-15), Independent Handler Ballot (ABC-16), Cooperative Grower Ballot (ABC-17), Cooperative Handler Ballot (ABC-18), and Grower Petition (ABC-19). Once approved by OMB, USDA will request permission to merge the ballots and petition form into OMB No. 0581-0178 Vegetable and Specialty Crops collection that includes other forms related to the Order.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 5.03 minutes per response.

Respondents: Almond producers and handlers.

Estimated Number of Respondents: 677.

Estimated Number of Responses: 677.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 56.83 hours.

Comments: Comments are invited on: (1) Whether the proposed collection of the information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Dated: September 7, 2018.

Bruce Summers,

Administrator, Agricultural Marketing Service.
