

relevant rules and material procedures.³⁰

As described above, the proposed rule changes would amend the EPN Rules to reflect existing FICC practices. Specifically, the proposed changes would (1) include an EPN User's ongoing reporting obligations, (2) define circumstances under which FICC may determine an EPN User's compliance with the EPN Rules, and (3) make corrections to the EPN Rules for clarity. As such, the Commission believes these proposed changes to codify and correct FICC's existing practices in the EPN Rules would assist in publicly disclosing all relevant and material procedures regarding the EPN Service.

Therefore, the Commission finds that the proposal is designed to provide for publicly disclosing all relevant rules and material procedures, consistent Rule 17Ad-22(e)(23)(i) under the Act.

III. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act, in particular the requirements of Section 17A of the Act³¹ and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that proposed rule change SR-FICC-2018-005 be, and hereby is, *approved*.³²

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³³

Eduardo A. Aleman,
Assistant Secretary.
