SUPPLEMENTARY INFORMATION: The Secretary of Labor invites interested persons to submit nominations for membership on ACCSH.

Background: ACCSH advises the Secretary of Labor and the Assistant Secretary of Labor for Occupational Safety and Health (Assistant Secretary) in the formulation of standards affecting the construction industry, and on policy matters arising in the administration of the safety and health provisions under the Contract Work Hours and Safety Standards Act (Construction Safety Act (CSA)) (40 U.S.C. 3701 *et seq.*) and the Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 651 *et seq.*) (see also 29 CFR 1911.10 and 1912.3). In addition, the OSH Act and CSA require the Assistant Secretary to consult with ACCSH before the Agency proposes any occupational safety and health standard affecting construction activities (29 CFR 1911.10; 40 U.S.C. 3704).

ACCSH operates in accordance with the CSA, the OSH Act, the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), and regulations issued pursuant to those statutes (29 CFR part 1912, 41 CFR part 102-3). ACCSH generally meets two to four times a year.

ACCSH membership: ACCSH consists of 15 members whom the Secretary appoints. ACCSH members generally serve staggered two-year terms, unless they resign, cease to be qualified, become unable to serve, or the Secretary removes them (29 CFR 1912.3(e)). The Secretary may appoint ACCSH members to successive terms. No member of ACCSH, other than members who represent employers or employees, shall have an economic interest in any proposed rule that affects the construction industry (29 CFR 1912.6).

The categories of ACCSH membership, and the number of new members to be appointed to replace members whose terms will expire, are:

- Five members who are qualified by experience and affiliation to present the viewpoint of employers in the construction industry—five employer representatives will be appointed;
- Five members who are similarly qualified to present the viewpoint of employees in the construction industry—five employee representatives will be appointed;
- Two representatives of State safety and health agencies—two representatives from a State safety and health agency will be appointed;
- Two public members, qualified by knowledge and experience to make a useful contribution to the work of ACCSH, such as those who have professional or technical experience and competence with occupational safety and health in the construction industry—two public representatives will be appointed; and
- One representative designated by the Secretary of the Department of Health and Human Services and appointed by the Secretary—no new appointment will be made.

The Department of Labor is committed to equal opportunity in the workplace and seeks broad-based and diverse ACCSH membership. Any interested person or organization may nominate one or more individuals for membership on ACCSH. Interested persons also are invited and encouraged to submit statements in support of nominees.

Submission requirements: Nominations must include the following information:

- Nominee's contact information and current employment or position;

- Nominee's résumé or curriculum vitae, including prior membership on ACCSH and other relevant organizations and associations;

- Category of membership (employer, employee, public, State safety and health agency) that the nominee is qualified to represent;

- A summary of the background, experience, and qualifications that addresses the nominee's suitability for each of the nominated membership categories;

- Articles or other documents the nominee has authored that indicate the nominee's knowledge, experience, and expertise in occupational safety and health, particularly as it pertains to the construction industry; and

- A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in ACCSH meetings, and has no conflicts of interest that would preclude membership on ACCSH.

Member selection: The Secretary will select ACCSH members on the basis of their experience, knowledge, and competence in the field of occupational safety and health, particularly as it pertains to the construction industry. Information received through this nomination process, in addition to other relevant sources of information, will assist the Secretary in appointing members to ACCSH. In selecting ACCSH members, the Secretary will consider individuals nominated in response to this **Federal Register** document, as well as other qualified individuals.
