

easily navigate and understand the Exchange's rulebook, thereby avoiding potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes are not designed to address any competitive issue or attract additional order flow to the Exchange. Rather, these changes would update, remove, and clarify outdated cross-references and definitions, and redundant language, and also conform the Exchange's rules and definitions to the rules of an affiliated exchange, thereby reducing potential confusion and making the Exchange's rules easier to understand and navigate. The Exchange notes that it and its affiliate, NYSE American, operate in a similar manner and consistent rules across the Exchange and NYSE American would reduce the likelihood of potential investor confusion. Therefore, the proposed rule change is not intended to impose a burden on competition but rather provide for standardized rules and a consistent set of obligations for common members as well as those members that are engaged in market making activities on both the Exchange and NYSE American.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³⁰ and Rule 19b-4(f)(6) thereunder.³¹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the

Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)³² of the Act to determine whether the proposed rule change should be approved or disapproved.

Liquidity Provider Incentive Program

Pursuant to the Liquidity Provider Incentive Program,⁴ a User⁵ can qualify for a daily rebate based on the number of qualifying CUSIPs⁶ on the NYSE Bonds Book for which a Unique User⁷ meets prescribed quoting requirements. The Exchange proposes to amend the threshold levels and rebate amounts payable under the Liquidity Provider Incentive Program to encourage participants to meet the quoting requirements in a greater number of CUSIPs.

Currently, the daily rebate amount is tiered based on the number of qualifying CUSIPs that meet quoting requirements, as follows:

Number of qualifying CUSIPs	Daily rebate
400-599	\$500
