## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84177; File No. SR-PEARL-2018-16]

### Self-Regulatory Organizations; MIAX PEARL, LLC; Suspension of and Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change To Amend the Fee Schedule Regarding Connectivity Fees for Members and Non-Members

September 17, 2018.

#### I. Introduction

On July 31, 2018, MIAX PEARL, LLC (“MIAX PEARL” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change (File Number SR-PEARL-2018-16) to amend the MIAX PEARL fee schedule to increase certain connectivity fees. The proposed rule change was immediately effective upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act.<sup>3</sup> The proposed rule change was published for comment in the **Federal Register** on August 13, 2018.<sup>4</sup> The Commission has received one comment letter on the proposal.<sup>5</sup> Under Section 19(b)(3)(C) of the Act,<sup>6</sup> the Commission is hereby: (i)

Temporarily suspending the proposed rule change; and (ii) instituting proceedings to determine whether to approve or disapprove the proposed rule change.

#### II. Description of the Proposed Rule Change

The Exchange proposes to amend its fee schedule to increase its monthly network connectivity fees. Specifically, the Exchange proposes to increase the connectivity fee for connectivity to the Exchange’s primary/secondary facility from \$1,100 to \$1,400 for a 1 Gigabit (“Gb”) connection, from \$5,500 to \$6,100 for a 10Gb connection, and from \$8,500 to \$9,300 for a 10Gb ultra-low latency connection.<sup>7</sup> In addition, the Exchange proposes to increase the network connectivity fees for connectivity to the Exchange’s disaster recovery facility from \$500 to \$550 for a 1Gb connection and from \$2,500 to \$2,750 for a 10Gb connection.<sup>8</sup>

#### III. Suspension of the Proposed Rule Change

Pursuant to Section 19(b)(3)(C) of the Act,<sup>9</sup> at any time within 60 days of the date of filing of a proposed rule change pursuant to Section 19(b)(1) of the Act,<sup>10</sup> the Commission summarily may temporarily suspend the change in the rules of a self-regulatory organization (“SRO”) if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. As discussed below, the Commission believes a temporary suspension of the proposed rule change is necessary and appropriate to allow for additional analysis of the proposed rule change’s consistency with the Act and the rules thereunder.

As noted above, the Commission received one comment letter on the proposal.<sup>11</sup> The commenter argues that the Exchange did not provide sufficient information in its filing to support a finding that the proposal is consistent with the Act.<sup>12</sup> Specifically, the commenter objects to the Exchange’s reliance on the fees of other exchanges to demonstrate that its fee increases are consistent with the Act. In addition, the commenter argues that the Exchange did not offer any details to support its basis for asserting that the proposed fee increases are consistent with the Act.<sup>13</sup>

The Exchange has not responded to the comment letter.

When exchanges file their proposed rule changes with the Commission, including fee filings like the Exchange’s present proposal, they are required to provide a statement supporting the proposal’s basis under the Act and the rules and regulations thereunder applicable to the exchange.<sup>14</sup> The instructions to Form 19b-4, on which exchanges file their proposed rule changes, specify that such statement “should be sufficiently detailed and specific to support a finding that the proposed rule change is consistent with [those] requirements.”<sup>15</sup>

Among other things, exchange proposed rule changes are subject to Section 6 of the Act, including Sections 6(b)(4), (5), and (8), which requires the rules of an exchange to (1) provide for the equitable allocation of reasonable fees among members, issuers, and other persons using the exchange’s facilities;<sup>16</sup> (2) perfect the mechanism of a free and open market and a national market system, protect investors and the public interest, and not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers;<sup>17</sup> and (3) not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.<sup>18</sup>

In temporarily suspending the Exchange’s fee change, the Commission intends to further consider whether increasing certain connectivity fees to the Exchange is consistent with the statutory requirements applicable to a national securities exchange under the Act. In particular, the Commission will consider whether the proposed rule change satisfies the standards under the Act and the rules thereunder requiring, among other things, that an exchange’s rules provide for the equitable allocation of reasonable fees among members, issuers, and other persons using its facilities; not permit unfair discrimination between customers, issuers, brokers or dealers; and do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.<sup>19</sup>

Therefore, the Commission finds that it is appropriate in the public interest, for the protection of investors, and

otherwise in furtherance of the purposes of the Act, to temporarily suspend the proposed rule changes.<sup>20</sup>

#### IV. Proceedings To Determine Whether To Approve or Disapprove the Proposed Rule Change

The Commission is instituting proceedings pursuant to Sections 19(b)(3)(C)<sup>21</sup> and 19(b)(2)(B) of the Act<sup>22</sup> to determine whether the proposed rule change should be approved or disapproved. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, the Commission seeks and encourages interested persons to provide additional comment on the proposed rule change to inform the Commission's analysis of whether to disapprove the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,<sup>23</sup> the Commission is providing notice of the grounds for possible disapproval under consideration:

- Section 6(b)(4) of the Act, which requires that the rules of a national securities exchange “provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities,”<sup>24</sup>

- Section 6(b)(5) of the Act, which requires, among other things, that the rules of a national securities exchange be “designed to perfect the operation of a free and open market and a national market system” and “protect investors and the public interest,” and not be “designed to permit unfair discrimination between customers, issuers, brokers, or dealers,”<sup>25</sup> and

- Section 6(b)(8) of the Act, which requires that the rules of a national securities exchange “not impose any burden on competition not necessary or appropriate in furtherance of the purposes of [the Act].”<sup>26</sup>

As noted above, the proposal increases connectivity fees for physical connections to the Exchange. The Exchange states that this fee increase would allow the Exchange to offset costs

associated with providing and maintaining this technology.<sup>27</sup> The commenter, among other concerns, asserts that the Exchange has not offered sufficient detail to support that the proposed fees are consistent with the Act and, in particular, whether the proposed fees are reasonable.<sup>28</sup>

Under the Commission's Rules of Practice, the “burden to demonstrate that a proposed rule change is consistent with the [Act] and the rules and regulations issued thereunder . . . is on the [SRO] that proposed the rule change.”<sup>29</sup> The description of a proposed rule change, its purpose and operation, its effect, and a legal analysis of its consistency with applicable requirements must all be sufficiently detailed and specific to support an affirmative Commission finding,<sup>30</sup> and any failure of an SRO to provide this information may result in the Commission not having a sufficient basis to make an affirmative finding that a proposed rule change is consistent with the Act and the applicable rules and regulations.<sup>31</sup>

The Commission is instituting proceedings to allow for additional consideration and comment on the issues raised herein, including as to whether the proposed fees are consistent with the Act, and specifically, with its requirements that exchange fees be reasonable and equitably allocated; be designed to perfect the mechanism of a free and open market and the national market system, protect investors and the public interest, and not be unfairly discriminatory; or not impose an unnecessary or inappropriate burden on competition.<sup>32</sup>

#### V. Commission's Solicitation of Comments

The Commission requests written views, data, and arguments with respect to the concerns identified above as well as any other relevant concerns. Such comments should be submitted by October 12, 2018. Rebuttal comments should be submitted by October 26, 2018. Although there do not appear to be any issues relevant to approval or disapproval which would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any

request for an opportunity to make an oral presentation.<sup>33</sup>

The Commission asks that commenters address the sufficiency and merit of the Exchange's statements in support of the proposal, in addition to any other comments they may wish to submit about the proposed rule change.

Interested persons are invited to submit written data, views, and arguments concerning the proposed rule change, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

### Self-Regulatory Organizations; Miami International Securities Exchange LLC; Suspension of and Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change To Amend the Fee Schedule Regarding Connectivity Fees for Members and Non-Members

September 17, 2018.

#### I. Introduction

On July 31, 2018, Miami International Securities Exchange LLC (“MIAX” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change (File Number SR-MIAX-2018-19) to amend the MIAX fee schedule to increase certain connectivity fees. The proposed rule change was immediately effective upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act.<sup>3</sup> The proposed

rule change was published for comment in the **Federal Register** on August 13, 2018.<sup>4</sup> The Commission has received one comment letter on the proposal.<sup>5</sup> Under Section 19(b)(3)(C) of the Act,<sup>6</sup> the Commission is hereby: (i) Temporarily suspending the proposed rule change; and (ii) instituting proceedings to determine whether to approve or disapprove the proposed rule change.

#### II. Description of the Proposed Rule Change

The Exchange proposes to amend its fee schedule to increase its monthly network connectivity fees. Specifically, the Exchange proposes to increase the connectivity fee for connectivity to the Exchange’s primary/secondary facility from \$1,100 to \$1,400 for a 1 Gigabit (“Gb”) connection, from \$5,500 to \$6,100 for a 10Gb connection, and from \$8,500 to \$9,300 for a 10Gb ultra-low latency connection.<sup>7</sup> In addition, the Exchange proposes to increase the network connectivity fees for connectivity to the Exchange’s disaster recovery facility from \$500 to \$550 for a 1Gb connection and from \$2,500 to \$2,750 for a 10Gb connection.<sup>8</sup>

#### III. Suspension of the Proposed Rule Change

Pursuant to Section 19(b)(3)(C) of the Act,<sup>9</sup> at any time within 60 days of the date of filing of a proposed rule change pursuant to Section 19(b)(1) of the Act,<sup>10</sup> the Commission summarily may temporarily suspend the change in the rules of a self-regulatory organization (“SRO”) if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. As discussed below, the Commission believes a temporary suspension of the proposed rule change is necessary and appropriate to allow for additional analysis of the proposed rule change’s consistency with the Act and the rules thereunder.

As noted above, the Commission received one comment letter on the proposal.<sup>11</sup> The commenter argues that the Exchange did not provide sufficient

information in its filing to support a finding that the proposal is consistent with the Act.<sup>12</sup> Specifically, the commenter objects to the Exchange’s reliance on the fees of other exchanges to demonstrate that its fee increases are consistent with the Act. In addition, the commenter argues that the Exchange did not offer any details to support its basis for asserting that the proposed fee increases are consistent with the Act.<sup>13</sup> The Exchange has not responded to the comment letter.

When exchanges file their proposed rule changes with the Commission, including fee filings like the Exchange’s present proposal, they are required to provide a statement supporting the proposal’s basis under the Act and the rules and regulations thereunder applicable to the exchange.<sup>14</sup> The instructions to Form 19b-4, on which exchanges file their proposed rule changes, specify that such statement “should be sufficiently detailed and specific to support a finding that the proposed rule change is consistent with [those] requirements.”<sup>15</sup>

Among other things, exchange proposed rule changes are subject to Section 6 of the Act, including Sections 6(b)(4), (5), and (8), which requires the rules of an exchange to (1) provide for the equitable allocation of reasonable fees among members, issuers, and other persons using the exchange’s facilities;<sup>16</sup> (2) perfect the mechanism of a free and open market and a national market system, protect investors and the public interest, and not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers;<sup>17</sup> and (3) not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.<sup>18</sup>

In temporarily suspending the Exchange’s fee change, the Commission intends to further consider whether increasing certain connectivity fees to the Exchange is consistent with the statutory requirements applicable to a national securities exchange under the Act. In particular, the Commission will consider whether the proposed rule change satisfies the standards under the Act and the rules thereunder requiring, among other things, that an exchange’s rules provide for the equitable
