**Agency Information Collection
Activities: Petition Process for
Designation of Federal Lands as
Unsuitable for All or Certain Types of
Surface Coal Mining Operations and
for Termination of Previous
Designations**

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.
ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Office of Surface Mining Reclamation and Enforcement (OSMRE), are announcing our intention to request renewed approval for the collection of information that establishes the minimum procedures and standards for designating Federal lands unsuitable for certain types of surface mining operations and for terminating designations pursuant to a petition. The information requested will aid the regulatory authority in the decision making process to approve or disapprove a request.

DATES: Interested persons are invited to submit comments on or before October 22, 2018.

ADDRESSES: Send written comments on this information collection request (ICR) to the Office of Management and Budget's Desk Officer for the Department of the Interior by email at OIRA_Submission@omb.eop.gov; or via facsimile to (202) 395-5806. Please provide a copy of your comments to John Trelease, Office of Surface Mining Reclamation and Enforcement, 1849 C Street NW, Mail Stop 4559, Washington, DC 20240; or by email to jtrelease@osmre.gov. Please reference OMB Control Number 1029-0098 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact John Trelease by email at jtrelease@osmre.gov, or by telephone at (202) 208-2783. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to

comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provides the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on July 12, 2018 (83 FR 32324). No comments were received.

We are again soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of OSMRE; (2) is the estimate of burden accurate; (3) how might OSMRE enhance the quality, utility, and clarity of the information to be collected; and (4) how might OSMRE minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
